Sharks and Eagles Aquatic Sports (SEAS) is seeking a HEAD COACH:

- Believes in our vision and who has the skills to lead its direction.
- We would like a coach ready to start the 2017-18 season, but we can be flexible for the right candidate.
- Will be required to develop and implement the age group programs aligned to the vision of the club.
- Oversee the supervision, training and coaching of swimmers in accordance with the principles, policies and guidelines of USA Swimming.
- Coach one or more squads throughout the season.
- Foster positive working relationships and strong communication throughout the club.
- Create seasonal competition schedules.
- Develop training curricula, coaching methodology and assessment criteria for all levels.
- Must be able to demonstrate the ability to motivate swimmers, coaches, families, and volunteers.
- Candidates must have excellent leadership, organizational, and interpersonal skills.
- Must be current with USA Swimming safety and coaching requirements or be willing to obtain them quickly.
- This position is part-time and requires weeknight and weekend hours.

ASSISTANT COACH:

- Will be expected to provide support and encouragement to all participants.
- The candidate will evaluate swimmers' skills, provide feedback and assist with developing skills needed to master strokes.
- Candidate will conduct practices with energy and enthusiasm.
- Supervise during swim practices as well as meets and ensure the safety of the swimmers.
- Candidate must be a current member, or have the ability to gain membership in, USA Swimming safety and coaching requirements.
- Candidate must exhibit strong leadership skills and some competitive swimming background is preferred.
- This position is part-time and requires weeknight and weekend hours.

COMPENSATION: Negotiable, based on experience

CLARENDON TOWN BOARD—Meeting Highlights June 2017

HIGHWAY/WATER DEPARTMENT REPORT -

Superintendent Swanger reported that the Clarendon Highway Crew has been helping other towns with paving jobs; will be helping the County tomorrow. The Highway Department shut down the week of July 4th. Superintendent Swanger reported finding the water service leak in the hamlet that had been leaking for a couple of months. A new line had to be installed under the state highway. The existing line couldn't be removed; the borrowed line puller broke and the town had to buy a new one, but the leak is stopped. Superintendent reported that flushing the hydrants is in progress; there are 410 hydrants total. The Village of Holley is spraying the weeds around the hydrants. In regard to replacing the 2004 Ford pick-up truck, Superintendent Swanger reported that in talking with other towns, they've found it a waste of time to put it out for bid; that none have come back less than state bid, so he hasn't put it out for bid. Carlton has purchased a 2017 Chevy ¾ ton pick-up with extended cab for approximately \$29,000. Superintendent Swanger wants a regular cab with a big box to be used as a work truck which should be even cheaper. It was said that on state bid, the truck needs to be built; most towns go through the VanBortle dealership. Councilman Major suggested Superintendent Swanger go to the dealer and get a cost estimate for what he needs, for the August board meeting.

PLANNING BOARD REPORT -

Chairman Dave Griggs submitted the following written report: **Regular Meeting, June 13, 2017** - The Planning Board held a pre-conference for a site plan review (SD 17-04) for the installation of an Alternative Energy System (solar power-private), Dominic DeMaria/Solar Liberty 16852 Fourth Section Road tax id# 98.-1-30.11. Chairman Griggs reviews the application with the board. This is in the RA district and an allowable use. The frame will be of steel racking and approx... 14' high. The panels are fixed and the overall dimension is 33' x 17' x 14'. Concerns regarding potential glare to neighboring properties was addressed. Specs indicate panels have a non-reflective coating so there should be no glare. It was noted that an electrical inspection will be required from a third party and approval from National Grid for any connections to their system. No other issues noted. At the request of the applicant a motion was made, seconded and approved to move to a formal application. A motion was made, seconded and approved to approve application SD 17-04 with verification of conditions noted.

Regular Meeting July 11, 2017 - Meeting cancelled due to lack of sufficient agenda items. *The next regularly scheduled planning Board meeting is on August 8, 2017 at 7 PM, at the Town Hall, 16385 Church Street.*

HISTORIAN/HISTORICAL SOCIETY REPORT -

Historian Melissa Ierlan reported that on the 19th at 7:00 PM the Historical Society will have a presentation on Joseph Santens, respected taxidermist, given by Ray MacConnell the Village of

Bergen Historian. GCC students again need to complete community service; some are working with Melissa at the CHS Museum. Holley School students need to complete community service also. Grant Moy was in and put together/set up the tripod used to lift cemetery stones. Caley Updike has been coming in on Wednesdays and helping with Historian files. Historian Ierlan informed of her receiving 800 photos of people from all over the county from the Civil War thru 1890; some family names are familiar to this area. She is scanning them in for record. The County Genealogical Society is having a booth at the Orleans County Fair. They will be helping people interested in their family genealogy.

SUPERVISOR REPORT -

Supervisor Moy read aloud a note received by Court Clerk Joanne Major thanking her for all her help in the Court. Supervisor had spoken with a resident who recently sold his house and praised our town for all the help he's been given throughout his years of residency. Supervisor Moy reminded those present of the annual August event at the Historical Society; music at 5pm, free hotdogs and soda and meeting afterward at 7PM.

CORRESPONDENCE -

NYS DOT has sent notice; it's planning a maintenance paving project on the Lake Ontario State parkway from Route 237 (Kendall Road) to Route 19 (Lake Road) during the 2018 construction season. The Orleans County Soil & Water Conservation District has approved the District's offering up to \$1000 to the Highway Departments toward supplies for the Hydro-seeder that the District owns and makes available for towns to use. The Orleans County Self-Insurance quarterly meeting has been scheduled for August 14, 2017 at 11:00 AM at the County Office Building. The NYS Department of Public Service has sent notice that National Grid is requesting approval of a proposed increase in its electric and gas delivery rates that would increase delivery revenues by 22.8% or 13% increase in total revenues. Supervisor read the listed locations scheduled for the public statement hearings; comments can also be made by calling the Commission's Opinion Line at 1-800-335-2120 or by submitting an email to Kathleen Burgess, Secretary at secretary@dps.ny.gov. Contact the Supervisor if you'd like additional information. The Jewell Buckman American Legion Post 529 has sent the bill for expenses on Memorial Day for wreaths, flowers, flags and grave markers at \$1601.91. Clarendon and Murray share this expense 50-50. Revenues received include \$89,053.40 from Orleans County for 2017-18 sanding & plowing and 1st mowing 2017; \$86,212.77 from Orleans County for 2nd quarter sales tax and \$8,198.82 from NYSDOT for Snow & Ice 2016-2017. Orleans County has sent notice of three public hearings scheduled to allow input for the mandated County-wide Shared Services Property Tax Savings Plan; July 19 in Shelby, July 20 in Murray and July 21 at the County Legislature Suite, all beginning at 3:30 PM. The Association of Towns sent correspondence regarding new

Past and Present
ORLEANS COUNTY 4-H FAIR

The town recently purchased a tripod and chain fall for use in the cemeteries to upright headstones. The picture shows the first use of the new equipment. This particular stone was actually broken as well as tipped over. It was only safe to place one piece back on the base. This equipment can also be used to raise crooked stones and put new foundations under them if needed.

From Clarendon's Kennedy Farms on Manning Road, Karen Kennedy shows her Scottish Short-Horn at the Orleans County 4-H Fair, brother Larry is in the background. (1950's)

When registering, please be prepared to generally describe the
type(s) of household chemicals you expect to bring to the event.

585-589-3198

Just for Laughs ...

An elderly couple had dinner at another
couple's house, and after eating, the
wives left the table and went into the
kitchen. The two gentlemen were talk-
ing, and one said, 'Last night we went
out to a new restaurant and it was real-
ly great. I would recommend it very
highly.' The other man said, 'What is
the name of the restaurant?'

The first man thought and thought and finally said, 'What is
the name of that flower you give to someone you love?'
You know.... The one that's red and has thorns.'
'Do you mean a rose?' 'Yes, that's the one,' replied the
man. He then turned towards the kitchen and yelled, 'Rose,
what's the name of that restaurant we went to last night?'

The Great Food Truck Race Season 8 returns Southern-style summer in 2017, with seven teams of food truck novices battling from New Orleans to Savannah for a \$50,000 grand prize. *The Great Food Truck Race* Season 8 adds some Southern hospitality to the competition as the teams hit the pavement running with fantastic food, unique concepts and the hunger to win. Hosted by Tyler Florence, this high-stakes road trip is full of beautiful scenery, Southern landmarks and intense food challenges. Viewers can meet the competing teams and browse photos of the challenges at FoodNetwork.com/FoodTrucks.

Join us in following The Great Food Truck Race beginning with the Premiere on August 20th at the Clarendon Firemen's Rec Hall @ 9:00 PM.

Clarendon's Steve Klatt is one of the 3-man team running the Braised in the South Food Truck out of Charleston, SC. Nick Hunter, Steven Klatt and Brandon Lapp met while working the line in the same restaurant years ago. With Steven and Brandon in the kitchen and Nick bringing in the customers, they're ready to turn their experience in fine dining into approachable dishes like BBQ Shrimp Tacos, Cajun Chicken "Tatchos" and Andouille Mac and Cheese.

TOWN BOARD MEETING HIGHLIGHTS - *Continued from page 3*

legislation of the NYS Volunteer Firefighter Enhanced Cancer Disability Benefits Act (S.1411-b/.711-b) which requires fire districts, departments and companies to provide a new benefit to eligible volunteer firefighters who develop certain forms of cancer. To qualify, one needs to be an active member and be an interior fire fighter. News 8 Summer Tour will be in the Village of Holley for a live broadcast July 26; there will be free Lugia's ice cream for the first 150 people. **OLD BUSINESS** – Supervisor Moy met with the Barre Town Board and he, with Councilman Robinson, met with the Byron Town Board about inclusion of homes outside of Clarendon in the proposed Water Improvement Benefit Area No. 12. They were agreeable to this. Income surveys should be out this week. Mr. Grazzo has received an address spreadsheet from the Assessor. Historian reported specific paperwork needed by the contractor awarded the roof repair of the Hillside Cemetery Chapel. A-1 Construction, low bidder for Window repairs, has been asked to submit additional references of their work. No response to date. The trim work needs to be taken out of the window contract specs and included with miscellaneous repairs – then rebid. **NEW BUSINESS** – The Town Board unanimously voted to change the Hillside Cemetery Rules & Regulations to allow burial in one lot up to as follows: one casket and two cremations or three cremations. General discussion was held about the Town Park and how to ensure it will be cleaned up after used. People reserve use of the park and Supervisor had to clean it up from a late night 'party' before persons with the reservation got there. It was suggested that the neighbors by the park contact the police department if they know someone is in the park after dark. Supervisor Moy attended a seminar where health insurance was discussed. Some health plans will increase 18 to 19% next year; Clarendon's MVP Plan is asking for a 5.5% increase. Supervisor reviewed the current cost for health insurance and suggested the board consider a 'new hire' policy for health care. Supervisor also reviewed an option for paid family leave; a state sponsored program that allows eligible employees paid time off. Supervisor Moy will contact the agent from the seminar for a town board presentation. Supervisor Moy has sent a request for a street lighting pricing proposal to change over to LED lights. The Board authorized Supervisor Moy to sign a non-disclosure agreement with National Grid to proceed with the pricing.
