

The Clarendon Gazette

Town Since 1810

An Independent Newspaper Devoted to Local News

Volume 23 Number 10

Clarendon, Orleans County, NY

June 2017

TAKE NOTICE that the Town of Clarendon Highway Department will be reconstructing Hall Road in early June, 2017. This should be a two to three day process and later in July, the road will be sealed.

FOR BID - One (1) Carrier Oil Furnace, Model 58cma120; 15 years old; 119,000 BTU. In good working condition. This was replaced at the Clarendon Highway Garage with a propane furnace. Carrier Furnace may be seen at the Clarendon Highway Garage, 4424 Hindsburg Road, by calling (585) 734-1302 to set up an appointment. Send sealed bid marked 'furnace bid' to Clarendon Highway Superintendent, PO Box 47, Clarendon, NY 14429 by June 8, 2017.

Orleans County is accepting enrollment of additional parcels in certified agricultural districts during the month of June, pursuant to New York State Agricultural and Markets Law. This annual 30-day window is for inclusion of property which is predominantly viable agricultural land. During this time period, land may only be added and not removed from an agricultural district. This opportunity does not replace enrollment in an existing agricultural district during the eight-year, formal review process, but allows a once-a-year opportunity for a property owner to request that the County Legislature add parcel(s) to one of Orleans County Consolidated Agricultural District No. 1 (District C-1). Eight year in-depth reviews are expected to continue for District C-1 as scheduled. At the conclusion of June, requests for inclusion in agricultural districts will be reviewed, in order, by the Orleans County Agriculture and Farmland Protection Board, the Orleans County Legislature, and the New York State Department of Agriculture and Markets. Enrollment forms are available from the Orleans County Department of Planning and Development both in-person and online. Completed forms should be sent by June 30th to: Sarah Gatti, Orleans County Department of Planning and Development, 14016 Route 31 West, Albion NY 14411. The agricultural districting program provides eligible operations right-to-farm protection, among other benefits. Please note that requesting enrollment during this 30-day time period is not a guarantee that your property will be added to an existing agricultural district. Moreover, it will not automatically qualify your property for a reduced agricultural property tax assessment. For information on obtaining a reduced agricultural property tax assessment, please contact your local assessor. { A Press release from Orleans County Planning & Development. }

Someone has been taking the returnable bottles from the Scout's collection box at the Town Hall. Troop 59 relies on this fundraiser to help with its expenses. Please record the license plate number of any vehicle seen taking bags out instead of putting them into the box and turn it into the Town Hall. Your help will be appreciated.

Thank you!

NEW PROGRAM: 1,000 Books Before Kindergarten

This is a new reading program at the library to encourage early literacy and a love of reading in even the littlest people. For ages birth up to kindergarten, the goal is for children, with the help of their caregivers, to read 1,000 books. You can come into the library to sign up your child and collect a reading log. This is an ongoing program and does not need to be finished by a certain date. For more information about this exciting new opportunity, contact Miss Grace at the library.

Library Hours: Mon 10-1 and 4-8; Tues 10-5;
Wed 10-1 and 4-8;

Thurs 10-5; Fri 10-5; Sat. 10-2; Closed on Sunday

For further information, you can call the library at the above number and speak to Sandra Shaw, the Library Director.

CLARENDON TOWN BOARD—Meeting Highlights May 2017

The Clarendon Town Board held a Public Hearing regarding Proposed Local Law #1 of 2017, A Local Law to Extend a Moratorium on the Installation of Mobile/Manufactured Homes Outside Mobile/Manufactured Home Parks. Three residents gave comments feeling that the Town needed to address the New York State law and allow mobile/manufactured homes on lots; that working families with children today can't afford stick built homes. It was offered that board members should walk through some of the new mobile/manufactured homes to see the quality today; that if the property is properly taken care of it can be very nice and we definitely need more tax payers in the town. The Board was asked to act on the State Law instead of delaying it. The law was sent to the County Planning Board for review.

An informational hearing on the next possible public water district was held immediately following the public hearing. Representatives from Chatfield Engineers, Municipal Solutions and G&G Municipal Consulting and Grant Writing were present. Chatfield Engineers explained the process of forming a water district. G&G explained the importance of an income survey in applying for grant funding; that 90% response is needed for use in the application. Municipal Solutions explained the financing of the project informing that now is a good time to apply for grant funding and stressed the importance of completing the income survey. It was also said that letters from residents to the board documenting problems with well water supply would help a grant application.

Adam Johnson, reviewed the situation regarding his Special Permit to operate a service business at 15549 East Lee Road that was revoked for non-compliance of the Permit and compared a residential property that Mr. Johnson indicated has multiple businesses in operation, has never applied for a special permit and has never been issued a fine. Mr. Johnson reviewed the settlement discussed by his and the town's attorney and requested the Board talk through his situation rationally with him and come to a solution regarding his permit. Supervisor Moy said that as it is still in litigation with the court, the board can't discuss it; that the judge will decide the outcome.

OPEN END

Wendy Basile addressed the board regarding a possible noise ordinance due to severe noise caused by vehicles off-road/mudding and building a stock car/mudding type race track at 4790 Bennetts Corners Road. Ms. Basile reported how disturbing the noise is in the entire neighborhood; that outdoor activities and chores have become difficult and her livestock is being affected

by the noise. It was reported that this goes on from four to eight hours every day and well into the night. Ms. Basile presented the board with a petition to amend the Town of Clarendon noise code of the ordinance. Supervisor Moy informed that the town is already looking into the unlicensed vehicles on the property.

HIGHWAY/WATER DEPT. REPORT

Superintendent Swanger reported most of the clean-up done from the wind storm. The Village of Holley helped with a tree. A few culverts have been changed and ditches have been cleaned out. Three trees on Hinds Road have been removed and lawn restoration has been done in WD#9 ext. There were three burials at Hillside Cemetery this month and the new truck has been ordered. The Town Board authorized purchase of a roadside mower to replace the 2003 machine. Brand new on State Bid it will cost \$14,000; auction may bring \$400 or \$500 for the old one.

HISTORIAN/CHS REPORT

Melissa Ierlan informed of the new outdoor lighting at the museum site. Superintendent will help with gravel to extend the driveway at the site.

SUPERVISOR REPORT

Supervisor Moy informed of the scheduled meeting of the Orleans County Shared Services Panel at the 4-H Fairgrounds Trolley Building from 6-8PM tomorrow. Last week, the Town Clerk, Supervisor and Assessor attended a presentation by the Association of Towns on the Countywide Shared Services Plan.

CORRESPONDENCE

NYS Department of State has sent a Bulletin delineating many types of motor vehicles which are not subject to the code section's applicability to unlicensed/inoperative motor vehicles. Additional types of motor vehicles not regulated by PMCNY Section 302.8 include but are not limited to former military vehicles, heavy industrial equipment such as that used in a quarry; and construction equipment such as backhoes, cranes and bulldozers. Deputy Clerk Robishaw submitted a summary report on her attendance to the State Town Clerk's Conference in April. COVA sent a request to expand its Certificate of Need to include all of Orleans County. Supervisor Moy has contacted Clarendon Fire Chief; there is no need for it. Finger Lakes Regional Economic Development Council sent information that Round 7 of the New York State Consolidated Funding Application is open; projects can seek up to \$800 million of available funding through State Agency Programs. Genesee/Finger Lakes Planning Council has scheduled workshops regarding the Local Update of Census Addresses for the 2020 Census. The Association of Towns sent information regarding part the state's 2017-18 Budget, a plan for county-wide shared services property tax savings.

*Meeting Highlights are continued on
page 10 of this Gazette.*

TID BITS

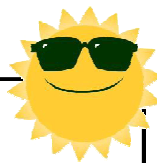

Geary (Moose) Shenck

GREETINGS EVERYONE! Well here we go again. Be helpful when you see a person without a smile, give him one of yours. *I drink a pint of water before going to bed every night because it gives me a reason to get up in the morning.* I don't go to reunions anymore. The people there look so old they don't recognize me. *I don't argue. I just explain why I'm right.* By the time a woman realizes her mother was right, she has a daughter who thinks she's wrong. *There was a young lady who went for a walk in the forest. About mid-afternoon she realized she was lost. She started to worry, but just then a hunter came along. She asked the hunter "Sir, would you please tell me the way out of the forest?" He looked at her, smiled and said, "Sure, if you give me a little kiss I'll tell you." She said "Ha" and walked away. A little while later a lumber jack came along looking for trees to cut down. On seeing him, the young lady asked, "Mr. Lumber Jack, would you please tell me the way out of the forest?" He eyed her up and down and said, "You give me a little kiss and I'll tell you." Again she walked away in a huff. It was getting near dark and she was getting really worried when a forest ranger came walking along. She thought surely the ranger would help her. She asked "Mr. Ranger would you please tell me the way out of the forest?" Just like the other two men, he smiled and said "Sure, give me a little kiss and I'll tell you." Now if any of you ladies want to know how she finally got out of the forest, why just give me a little kiss and I'll tell you. As for you gentlemen, a firm handshake will do! Is it wrong to drop drunks off at houses that aren't theirs?*

THIS MONTH'S RIDDLES:

1. Why did the physics teacher break up with the biology teacher?
2. What do you use to get corn cobs so smooth?
3. What do you get when you cross a baby with a soldier?
4. What do you call a crazy baker?
5. What unknown person has a lot of money?

I had a really bad day. First, my ex got run over by a bus. Then I got fired from my job as a bus driver. You can pick your friends and you can pick your nose but you can't pick your friend's nose. Remember, evil exists but it typically comes in disguise. The only time the word incorrectly isn't spelled incorrectly is when it's spelled incorrectly. There was a man whose wife was having her stomach stapled. He asked the doctor if he could do her tongue while he's at it. A wife said her husband always had a lazy eye, but now it has started to spread to the rest of his body.

Hemorrhoids are a real pain in the neck. Telling a teenager the facts of life is like giving a fish a bath. There are times not to flirt; when you're sick, when you're with children and when you're on the witness stand. Problems: The problem is that the key to success doesn't always fit your ignition. You've got a problem when your dentist tells you that you need a bridge and you can't afford to pay his toll. Sign on the chaplain's desk: 'If you have problems, tell me about them. If you don't, tell me how you do it' If you could kick the fellow responsible for most of your problems, you wouldn't be able to sit down for a month. You know it's going to be a bad week when your boss mails you the want ads. A pessimist always looks both ways when he crosses a one way street. Teenagers, tired of being hassled by your uneducated parents? Act now, move out, get a job. Pay your own bills while you still know everything. A teacher asked her class of third-graders, "Would you say trousers is singular or plural?" One little girl answered promptly. "Both, singular at the top and plural at the bottom." He: Do you neck? She: That's my business. He: I see, you're a professional. "My Uncle knew month before his death the exact date he was going to die. Did he learn it from a fortune teller?" "No" the judge told him.

By Wesley Yonts

*The smallest good deed is better by far
Than the grandest good intention
We'll never get much accomplished in life
If our good deeds are only just mentioned.
One dollar that's given is worth much more
Than merely a promise of twenty
For a dollar will buy a few little things
But a promise, that won't buy any
If we intend to visit the sick
And don't ever put it in action
What we plan to do won't help matters much
And surely won't bring satisfaction.
So do what you can and give what you can
To help your less fortunate neighbor
And you can be sure that you will receive
A very great price for your labor.*

*That's it for this time. Happy June to all!
Adios & God Bless,*

Geary (Moose) Shenck

CLARENDON CONNECTIONS IN THE MILITARY

This Military Address Book is for our local service men and women. If you've a loved one serving our country, we'd like to give the community an opportunity to keep them in touch with home by offering addresses for letters and packages. Please forward mailing addresses to the Town Clerk's Office in writing, or by email to tctc@rochester.rr.com with a subject line of 'Military Address Book'. Addresses will remain posted as submitted until notice of a change is received.

Hillside Sketches

In 1914 G.H. Keople built the Clarendon Cheese Factory which he owned and operated for more than 30 years. Clarendon Brand Cheese was recognized for its high quality and was sold from coast to coast.

Some of his most notable accomplishments are:

Organized the effort to bring electricity to Clarendon in 1916;

Holley Rotary Club charter member (43 years perfect attendance);

50 year member of the Murray Lodge No. 380 Free and Accepted Masons;

Clarendon Grange No. 1083 member;

Clarendon Fire Dept. Honorary Member;

Disciples Methodist Church of Clarendon member;

Holley Rod & Gun Club member;

Holley Cemetery Association trustee;

Clarendon Justice of the Peace;

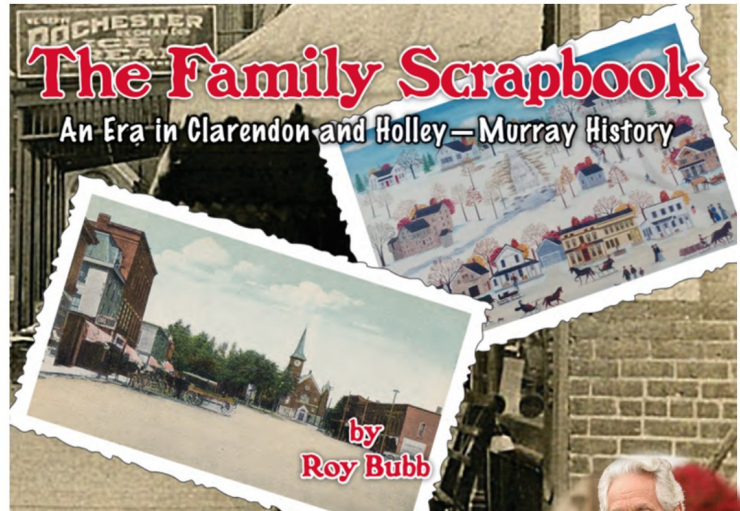

Holley School Board member;

President of the 1960 Sesquicentennial Society

Thanks Beth. Gazebo looks great!

Book Release And Signing

At The Holley Free Library
Sunday, June 11, 2017 2:00-4:00 pm

Meet author Roy Bubb

It all started with a century-old scrapbook given to Roy Bubb many years ago. It sat on a shelf until, remembering the kindness of the donor, he took the scrapbook from its safe-keeping, and read it again more carefully. Its contents came to life before him as would a family tree of a pioneer family and resulted in this new book.

• ISBN 978-0-578-19185-0 • Hardcover • 9 x 6, 160 pages • Acid Free Paper • Index • \$25.00 •

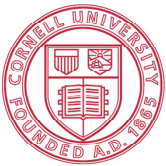

A 2006 Holley graduate will be the keynote speaker on June 13 during an awards dinner to honor the top 10 graduates at Holley, Kendall, Lyndonville and Medina. The dinner will be at the White Birch in Lyndonville. Scott Brooks graduated in the top 10 of his class at Holley. He then earned his bachelor's degree in 2010 at SUNY Brockport. After college, Scott began working with iHeartMedia as a producer of The Brother Wease Show on Radio 95.1. Today, he serves as the Program Director for KISS 106.7 and Sunny 102.3 and can be heard every afternoon on KISS. Scott is also the Digital Program Director and Social Media Manager for all 7 iHeartMedia radio stations in Rochester. {Taken from orleanshub.com}

Healthy Children, Healthy Families Parents Making A Difference!

FREE! 8 sessions, 1 hour each. Learn skills to make parenting easier and fun! Create healthy habits for you and your family over the summer and be ready when school starts again!

Tired of "mealtime madness" and losing fights to the "picky eater"?
Need to learn QUICK & HEALTHY snacks and meals for your family?

- June 24 HS Graduation, HS Stadium 10:00 AM

FARMERS' MARKETS OPEN THIS MONTH!

June is the traditional start time for local farmers' markets. Shopping at farmers' markets has lots of benefits. Produce is very fresh and often picked 12-24 hours before being sold at the market. Fresh, local strawberries are ready in June. You can buy them at roadside stands, farmers' markets, farm stands and some local supermarkets. Looking for a fun family activity? Try picking strawberries at a U-pick farm. Many U-Pick locations are family friendly, One cup of strawberries has only 50 calories, more than 100% of your daily need for Vitamin C and 3 grams of fiber!

Clarendon Lions Club

We had another successful Geranium Sale this year, selling out our inventory, although the weather was cold and rainy. Members of our organization assisted the Holley Garden Club in building the new Holley Community Garden. This project will allow those folks who do not have a location to grow a garden at home to grow one nearby. The garden opens May 27th.

We will be selling hot dogs, hamburgers and Italian Sausage. Stop by our tent for a great lunch, supper or snack!

June 3rd - Holley June Fest 9AM - 4PM

June 16th - Clarendon Crosby's 10AM- 4 PM

The funds raised at our events are given back to the Community through donations to local charities and emergency situations. If you would like to join these hard working Lions, please contact Lion Tom Persia at 489-9074.

Thanks, as always, for your support!

Note of Appreciation

I would like to take a moment to commend Superintendent Larry Swanger on doing an outstanding job. I have had to call him several times to take care of some issues. Most recently, the cleanup from the wind storm. I have found him to be polite, timely and professional. The town citizens are fortunate to have him on our team. Again, thank you.

On May 18, 2017 a group of boys from Troop 59 and Troop 62 came to the Hillside Cemetery in Clarendon to place flags on the veteran's graves. Some of these boys have been doing this for years. They showed the younger boys how to find the veterans and how to place the flag. Mothers and Fathers accompanied their boys around the cemetery.

The Orleans County Department of History in conjunction with the Orleans County Historical Association and Clarendon Historian hosted a dedication ceremony for a new historic marker at the Cook Cemetery in Clarendon on Saturday May 20, 2017. Orleans County Historian Matt Ballard, Town of Clarendon Historian Melissa Ierlan, Orleans Veterans Services Agency Director Earl Schmidt, Orleans County Legislator Don Allport, members of the Orleans Chapter of the Daughters of the American Revolution, the Rochester Chapter of the Sons of the American Revolution, Gaines Historian Al Capurso, and descendants of the Cook family attended the dedication. Also present were Town of Clarendon residents.

The marker was purchased with funds from the County Historians Office and the Orleans County Historical Association.

CHS PRESENTS ERIE CANAL LEGACY

The Clarendon Historical Society will celebrate the 100th anniversary of the start of the Erie Canal with a program by authors Andy Olenick and Richard O. Reisem on Wednesday, June 21, 2017 at 7:00 PM. The authors will give a presentation based on their book *Erie Canal Legacy: Architectural Treasures of New York State* which features glorious photos taken in villages along the canal. It covers the building of the canal and what it meant to New York and the nation with photographs showing the architectural heritage that the Erie Canal has produced for us. Photographer Andy Olenick created the photographs for the book. His wife, Sherri, business partner and traveling companion, worked as researcher and coordinator on the four-year project. Since graduation from the Rochester Institute of Technology, Andy has been fulfilling assignments nationally in commercial, magazine, corporate, and industrial photography, including illustration, annual reports, advertising, and architecture. He also created the superb photographs for the books, *200 Years of Rochester Architecture and Gardens*, *Classic Buffalo*, and *Historic New York: Architectural Journeys in the Empire State* which were also collaborations with Richard Reisem. Richard O. Reisem has written fifteen books since retiring from Eastman Kodak Company's Communications and Public Affairs Division in 1986. He spoke last year at the CHS regarding his book *Myron Holley: Canal Builder / Abolitionist / Unsung Hero*. His other books cover diverse subjects concerned with history and architecture. He is a graduate of Iowa State University with major studies in architecture, history, and journalism. His 31-year career at Eastman Kodak included speechwriter for six of the company's CEOs. He was also producer of Kodak annual meetings, financial analysts' presentations, photographic trade show events, new product announcements, and traveling multimedia programs. He was the author of a series of books on color photography. He is an honorary trustee of the Landmark Society of Western New York, vice-president of the Friends of Mount Hope Cemetery, and a former trustee of the Rochester Historical Society. The program is free and open to the public at the Clarendon Historical Society, 16426 Fourth Section Rd., at Church Street in Clarendon. Light refreshments will be served. Books will be available for purchase. For more information call 585-638-6371 x 104.

Town Board Meeting Highlights continued from page 3

Assembly Minority Leader Brian Kolb has informed that pursuant to the "Raise the Age" initiative enacted in this year's state budget agreement, counties that stay within their property tax cap will receive full state reimbursement for the cost of implementation; funding will begin in 2018. The Town has received \$1,217.28 from the District Attorney for the first quarter 2017 Traffic Diversion Program revenue.

OLD BUSINESS

The Board adopted the proposed zoning ordinance amendments and scheduled a special meeting to consider adoption of Local Law #1 of 2017 to extend the moratorium on mobile/manufactured homes outside a mobile home park. NYSDOT has determined that a 35 mph speed limit is justified on Upper Holley Road and Upper Holley Road Extension between house number 4606 and Route 31A. Orders for the speed zone are being processed for filing with the Secretary of State and the town will be notified when approved. Installation of signs can follow at that time.

NEW BUSINESS

The Town Board authorized the Hillside Cemetery Chapel Restoration project to be put out for bids, renewed its two year agreement with Municipal Solutions for general financial services and hired G & G Municipal Consulting & Grant Writing to perform a median household income survey in areas being considered for the next possible public water district in Clarendon.

The Board adopted Local Law No. 1 of 2017 extending the moratorium on mobile/manufactured homes outside a mobile home park at a special meeting held May 30th.
