March 12th

The Orleans County Chamber of Commerce

has launched a completely redesigned, modern website www.orleanschamber.com. It was unveiled early January 2017 to Members only which had a great response. This website will increase the ease in which chamber members and the community can stay informed on the latest chamber developments. "Our mission is to be the "Go To" site for Orleans County. The Chamber hopes to promote and have a positive impact on Orleans County. "Our new site will increase our ability to serve our members." One of the biggest improvements to the site was a reorganization of our Member Directory. Our directory is not just for Members (which have individual profile pages to promote their online presence), non-members will also be listed with their contact information which will give them multiple opportunities to promote their company to community members searching for them. Now things like membership info, events, news and blogs are more accessible and organized than they were before. www.orleanschamber.com is the best place to discover what is going on in Orleans County through our events calendar. "The end result is a web site that is visually stunning, loaded with the latest features and offers ease at updating the content so it doesn't become static". For more information regarding the Website or Membership please call (585) 301-8464 or email Rebecca Charland at director@orleanschamber.com.

Clarendon Residents Take Notice that the Clarendon Town Board will hold a workshop meeting on March 6, 2017 at 6:00 PM at the Town Hall, 16385 Church St., Clarendon, NY. Purpose will be to discuss future water possibilities.

Tickets go on sale April 1, 2016, for the annual **“Raise a Glass for Reading”** Wine Tasting and Farmers’ Market at the Community Free Library in Holley, NY, scheduled for Friday, April 28, 2017, from 7-9 p.m. Community members will have the opportunity to taste wines, meads and beers, shop with local farmers and entrepreneurs, listen to music, have fun with friends and support the Summer Reading Program.

This sell-out annual event, held on the last Friday in April, provides funding for the library’s summer reading program for children. Because of the success of previous wine tastings, the Library has been able to double the number of programs offered to children throughout the summer, going from six to twelve. Each child who attends five or more programs and documents his/her summer reading will receive a free book. Special programs are being planned to attract area teens. The theme for the summer reading program is “Build a Better World.”

The 2017 event welcomes the two new stops on the Niagara Wine Trail- Black Willow Winery and Meadery (Burt), and Vizzarra Vineyards and Becker Brewing Company (Gasport). Returning are favorites Leonard Oakes Estate Winery (Medina) and Schwenk Wine Cellars (Kent). All four of this year’s vineyards have won awards at State or Nation wine competitions!

As a Farmers’ Market, this event will provide attendees with the opportunity to find out about alpacas as well as purchase alpaca products from Stoney Meadows Alpacas. They will also be able to visit with Lora Partyka from Partyka Farms, find out about this year’s plans, purchase hanging baskets and bedding plants, jams, jellies and other products.

The event also provides a showcase for local entrepreneurs. Aromantium is an apothecary spa with a natural skin care line. Sue Sew-It-All specializes in tailoring as well as making memory bears from nostalgic fabrics.

While sampling the wines and talking to the vendors (and buying wine, mead, beer, farm products, farm products, and other gifts), guests will be able to listen to jazz, and Broadway music by Sound Foundations, featuring Wendy and Sean Williams

This highly anticipated evening has something for everyone, promoting local businesses and the Niagara and Ontario Wine trails, and highlighting community support for children’s reading. Tickets are \$15 each and can be purchased at the Community Free Library starting April 1. For questions, contact Sandra Shaw, Library Director, at 585-638-6987.

CLARENDON TOWN BOARD—Meeting Highlights February 2017

Attorney Jeff Martin represented Adam Johnson at the February board meeting. Mr. Johnson's special permit to operate a service business at 15549 East Lee Road was under review for renewal by the Planning Board but ended up being revoked by the Ordinance Inspection Officer for non-compliance of the permit. The Planning Board will not entertain renewal any longer as is revoked; a new application will need to be filed. Attorney Martin requested Town Board consideration for reversal of the situation so Mr. Johnson may go before the Planning Board for renewal of the permit; the zoning for the property has changed since the special permit had initially been authorized. Board members agreed that Mr. Johnson should return for the March board meeting to discuss the matter; after his court appearance and disposition.

MARCH

Greetings to you all. Well, it's time again for my pursuit of nonsensical information, so here we go! *If you are lonely, dim all the lights and put on a horror movie. After a while it won't feel like you are alone anymore.* He who throws mud loses ground. *Speak selectively. Tell everyone everything and there's no reason for anyone to engage you again.* The most satisfied diners have made friends with the chef. *God's retirement plan is out of this world.* Two barbers in hot competition: One put up a sign advertising haircuts for seven dollars. His competitor put up one that read, "We repair seven dollar haircuts." *A boxer went to a doctor for treatment of insomnia. Doctor asked, "Have you tried counting sheep?" "It doesn't work", replied the boxer. "Whenever I get to nine, I stand up."* People who don't know me think I'm quiet. People that do know me wish I was. *My wife couldn't find a frozen chicken big enough for our family dinner. She asked the young man behind the butcher counter if "these chickens got any larger?" He replied, "I'm afraid not, they are all dead."* Going to bed early, not leaving my house, not going to a party. My childhood punishments have become my adult goals. *Gardening requires a lot of water, most of it in the form of perspiration.* Newfoundland dogs are known for saving children from drowning, but you must have a pond of water handy and a child, or else there will be no use in boarding a Newfoundland. *Dachshunds are ideal dogs for small children, as they are already stretched and pulled to such a length that the child cannot do much harm one way or the other.* Opportunity is missed by most people because it is dressed in overalls and looks like work. *May your home always be too small to hold all of your friends.* Having kids is like continually cleaning up after a party that you never attended.

THIS MONTH'S RIDDLES:

- 1) Why did the pig cross the road?
- 2) What do you call three feet of trash?
- 3) How does Avis feel about being number two?
- 4) What kind of neck tie does a pig wear?
- 5) What do you serve that you can't eat?

They say that the shortest sentence in the English language is "I am", and the longest sentence is, "I do". *Me and my bed are perfect for each other, but my alarm clock keeps trying to break us up.* At my age, the only thing I care to exercise is caution. *Do I want to be buried or cremated? Oh, I don't know – surprise me!* Honey, I don't know why you spend so much time tending to your eyebrows. Here's how much men care about your eyebrows: Do you have two of them? Okay, we're done. *That's not what I call drunk. In my book, you're not drunk if you can lie on the floor without holding on.* Telling a teenager the facts of life is like giving a fish a bath.

The doctor asked, "How is the boy who swallowed the half dollar?" The nurse replied, "No change yet." Did you hear about the cannibal who liked to eat where they served truck drivers? *My mother in law gave me an "Irish Blessing" just before my wife and I went on vacation. I'd feel better about the "May the wind be at your back" thing if we weren't going to the Grand Canyon this year.* On gossip: Gossip is nothing more than mouth to mouth recitation. *A gossip is a newscaster without a sponsor.* In most beauty parlors, the gossip alone would curl your hair. *Gossip burns so much oxygen at the mouth that there's never any left for the brain.* Remember, the open hand holds more friends than the closed fist. *A utility company customer with a long-overdue bill received this rather unusual notice. "We would be delighted if you would pay your bill promptly, if not you will promptly be de-lighted.* A new name for laziness is voluntary inertia. *And remember, the bee that makes the honey doesn't hang around the hive.* A miser is one who's perfectly content to let the rest of the world go buy. *A husband was complaining to a pal about rationing going too far. "My wife is rationing my kisses," he said. "She only gives me two kisses a week." "What are you complaining about", remarked his pal. "She cut off all your friends completely."* Did you know that a camel is a horse designed by a committee?

by Clay Harrison

The washer won't wash and the dryer won't dry.
The roof sprung a leak and the grass is too high.
The paint's wearing thin, the car needs repair.
My dog ran away and I'm losing my hair.
I just lost my job and every bill's due.
All my friends keep asking, "What's new?"
But I trust in the Lord and praise Him each day
For all the good things that happen my way.
I've never been hungry, or naked, or cold
And blessings like this are better than gold.
The love of my wife is a treasure indeed.
The grace of my savior supplies every need.
My children are jewels God placed in my crown.
My friends come around whenever I'm down.
Despite all my troubles, I'm rich as can be,
For better than gold are God's gifts to me.

That's it for now. You all have a great month.
Adios and God Bless!

Hillside Sketches

One of the interesting people buried in Hillside is Miss Sara Shaw (1871-1948), an

educated woman who felt herself drawn to a career of nursing, often in dangerous places. The following excerpt from Delia Robinson's book *Historical Amnesia* describes some of Sara's career:

"Sara Shaw, born about 1872, the daughter of Dennis and Ellen Shaw of Holley, was a graduate of Brockport Normal School. On May 5, 1898 in the Holley Standard it was reported that Sara Shaw, a graduate of the Bellevue Hospital training school for nurses in New York, had joined the Red Cross Hospital Service and would be going to Cuba with the army. By August 24, 1898 the Orleans Republic stated that she had been doing Red Cross nursing at Santiago and Puerto Rico but had returned home to recover from Malaria and "nervous exhaustion." On January 18, 1899 the paper mentioned that she had gone to New York City to do hospital work there. The next month she sailed from New York City on the transport *Sherman* bound for Manilla to nurse the soldiers in the Philippines. The final mention of her on December 6 relates that a public reception was held for her at the home of F. D. Stearns in Holley.

But Miss Shaw's service was far from finished. During World War I she set up a Red Cross Center in Milan, Italy and received a decoration from the Italian government for her efforts. She also served at Bellevue hospital in New York directing its tuberculosis division. While in New York she was active in helping orphans and boys in gangs in the city slums near the hospital, in addition to helping local families in need."

Sara Shaw was certainly a person who cared deeply about people, even to the point of putting her own health and life at risk to help the less fortunate. She is remembered by a modest granite marker in Hillside Cemetery.

Just for Laughs

A blonde was playing Trivial Pursuit one night... It was her turn. She rolled the dice and she landed on Science & Nature. Her question was, 'If you are in a vacuum and someone calls your name, can you hear it?' She thought for a time and then asked, 'Is it on or off?'

A highway patrolman pulled alongside a speeding car on the freeway. Glancing at the car, he was astounded to see that the blonde behind the wheel was knitting! Realizing that she was oblivious to his flashing lights and siren, the trooper cranked down his window, turned on his bullhorn and yelled, 'PULL OVER!' 'NO!' the blonde yelled back, 'IT'S A SCARF!'

Hello. My name is Jena Buckwell.

I'm an AmeriCorps State and National member currently serving Orleans County Soil and Water Conservation District through the AmeriCorps Environmental Stewardship program. Each year, AmeriCorps celebrates AmeriCorps Week, during which AmeriCorps members are encouraged to organize or participate in a service project. As a resident of Clarendon, I have chosen to do a daily "cleanup" along the roadsides in my neighborhood, as well as one day at Clarendon Town Park.

During the week of March 6th, 2017 I will be doing "lunch hour" pickups at the locations listed below. While I am capable of doing so alone, I'd like to welcome others involved in service in Clarendon to join me. If you are able and willing, please meet me at the designated locations at 12pm on the date indicated. I will have a container for garbage, but please bring gloves and wear appropriate clothing (especially footwear). Your assistance would be very much appreciated, and I'd love to get to know some of the other service-minded Clarendon residents better while we work/walk. *In the event of snow or rain during the designated time, the cleanup day will be cancelled.*

- DO NOT INCLUDE: tires, pesticides, oils, solvents, flammable liquids, explosives, animal carcasses, fecal matter, industrial waste, other regulated hazardous waste or building materials left by a contractor.
- **E-WASTE (MICROWAVES, TELEVISIONS, and COMPUTER equipment)** will no longer be picked up. Please take it to the nearest Electronic Recycling facility... Open 9am-2pm Monday - Friday

FOR COLLECTION

Place garbage and recyclables at your roadside, within 5 feet of the road, before 6:00 am on your pickup day. If you have a ditch in front of your property, place garbage and recyclables between the road and the ditch.

- Garbage and recyclables will be collected on the same day in separate trucks, at different times during the day.

LARGE ITEMS

A large item is any refuse that cannot be placed in cans or bags easily. ONLY **ONE** LARGE ITEM WILL BE PICKED UP EACH WEEK AT THE ROADSIDE. **Refrigerator** doors and shelves must be removed and the customer must call Modern Disposal (# below) on the **FRIDAY** prior to their scheduled pickup day. Large items will be collected on the same day as regular service and placed in the compactor truck. These items shall include, but are not limited to furniture, mattresses and box springs, carpets, appliances, Christmas trees, or carpeting (rolled and tied 4 foot lengths).

TIPS

Paint Cans- the lid must be off and the cans are to be set next to the trash can so the driver can see that the contents are dry. Clumpable cat litter can be used to dry up any contents prior to disposal.

Cold Ashes- must be cold and contained either in a bag or a cardboard box so the ashes do not go airborne as they are placed in the truck.

Medical Syringes- Medina Memorial Hospital takes them on Saturday mornings. Please do not dispose of these in the regular trash.

HOLIDAY SCHEDULE

New Year's Day – Memorial Day – Independence Day – Labor Day – Thanksgiving Day – Christmas Day. If your collection day is on or follows any of these holidays during the week, then your collection will be one day late.
