CLARENDON TOWN BOARD—Meeting Highlights February 2016

Pursuant to bad weather conditions, the public hearings and regular board meeting for February were cancelled. Supervisor Moy called for an emergency meeting on February 19, 2016 at 9:00 AM for the purpose of paying bills, appointing Craig Lane to the vacant alternate Planning Board seat and accepting grant funding from NYS for the Hillside Cemetery Chapel restoration project. Remaining items that were on the agenda will be covered at the March 15th meeting.

(Cont from page 1) **CLARENDON RESIDENTS TAKE NOTICE** that the Clarendon Town Board will hold a Public Hearing on March 15, 2016 at 6:00 PM at the Town Hall, 16385 Church Street, Clarendon to consider the following amendments to Town Zoning Ordinance Section 301: 1) A new Subsection B shall be added which reads as follows: “B. All buildings or structures 64 square feet or greater within the Town of Clarendon shall require a building permit.” 2) Current Subsection B shall be designated as Subsection C and shall read as follows: “C. No building permit shall be issued for any buildings, structures, dwellings, their customary accessory structures and common farm related structures unless a Site Plan has been submitted to and approved by the Planning Board. *Note: The Ordinance Inspection Officer may waive the need for a site plan review for buildings or structures provided such building or structure is single width, is a single story and is not permanently attached to the soil or to any other structure.*” 3) All remaining Subsections of Section 301 shall be designated alphabetically to correspond to the foregoing amendments. **ALSO TAKE NOTICE** that the Clarendon Town Board will conduct a Public Hearing on March 15, 2016 immediately following the foregoing published hearing, to consider adoption of Local Law No. 1 of 2016 to amend Local Law No. 1 of 2007 to change the size of structures requiring a building permit; to read as follows: 1) Purpose. The purpose of this local law is to give the Town CEO broader authority in issuing building permits for detached structures. 2) Section 5(A)(2)a of Local Law No. 1 of 2007 is hereby amended to read as follows: “2. No permit shall be required for: a. Construction or installation of one story detached structures associated with one or two family dwellings or multiple single family dwellings (townhouses) which are used for tool and storage sheds, playhouses or similar uses, provided that the gross floor area is less than 64 square feet.” 3) All other provisions of Local Law No. 1 of 2007 shall remain unchanged. **AND BE ADVISED** that the regular monthly meeting will begin immediately following the public hearing regarding Local Law No. 1 of 2016.

Natalie Heller, Nutrition Educator for Cornell Cooperative Extension of Orleans County, was the guest speaker at the Orleans County Town Clerk's Association meeting in February held at the Clarendon Town Hall. Natalie gave an overview of the Expanded Food & Nutrition Education Program (EFNEP) and a lesson in bone health. *Photo: Clerks learn about weight bearing exercise as part of good bone health!*

Natalie used hands-on visual aids in her lesson.

TID BITS

Geary (Moose) Shenck

GREETINGS EVERYONE: I get asked many times where I get all the tids and bits from. Well, to be honest, I'm not that smart to be able to think up all of the stuff I write. Most of it comes from old humorous books I have, Laugh Lines and other jokes I may read in some papers or magazines. *Defeat is not bitter unless you swallow it.* An acceptable level of unemployment means that the government economist to whom it is acceptable still has a job. *The only thing that alcohol cures is sobriety.* The other day I got on a weighing machine that stamps your weight on a card. When the card came out it I read it and it said: 'Come back in ten minutes – alone.' *Members of a Sunday school class were asked to write their favorite biblical story. One youngster laboriously printed: "Do one to others as others do one to you."* A man placed some flowers on the grave of his departed mother and started back for his car. His attention was diverted to a man kneeling at a grave. The man seemed to be praying with profound intensity and kept repeating, Why did you die? Why did you die?" The first man approached him and said, "Sir, I don't want to interfere with your private grief, but this demonstration of hurt and pain is more than I've ever seen before. For whom do you mourn so deeply, your child, a parent? Who may I ask, lies in that grave?" The mourner answered, "My wife's first husband. Why did you die? Why did you die?" *The wife is going over their burial arrangements and she says to her husband, "We just need a basic, cheap funeral for you. But I want an elaborate funeral. I have more friends and more people like me and will miss me. How much do you think I should set aside for me?" The husband somewhat annoyed said, "That depends. Do they charge by the pound?" He's still missing!* Be careful when you follow the masses. Sometimes the 'm' is silent. *Some more stuff old guys say: "What do you mean you don't snore? I had to roll you over in bed last night so that you didn't inhale the curtains."*

THIS MONTH'S RIDDLES:

1. Why are coachmen like clouds?
2. Luke had it first, Paul had it last, boys never have it, girls have it but once, Miss Sullivan had it twice, but when she married Pat Murphy, she didn't have it at all. What is it?
3. Why are A, E and U the handsome vowels?
4. Why is an empty purse always the same?
5. Why does your sense of touch suffer when you are ill?

Home remedies, what a waste of time. They always say things like, "If you're choking on an ice cube, pour a cup of boiling water down your throat and the blockage will be almost instantly removed." *Health plans are a waste of money. They're like hospital gowns; you only think you're covered.*

There must be something to this acupuncture business. I mean, you never see any sick porcupines. *How do I know what type of virus I've got? Virus is just a Latin word used by doctors, meaning 'your guess is as good as mine.'* They're always going on about us old men not exercising enough. If they want us to exercise more, all they have to do is make the T.V. remote heavier. *At my age, the only thing I care to exercise is caution.* When they discover the center of the universe, a lot of people will be disappointed they are not it.

When people see you lying down with your eyes closed, they still ask, "Are you sleeping?" "No. I'm training to be in a coma." A man and his wife got into one of those knock-down drag-out arguments. "You brute!" she cried. "Before we were married you told me you were well off." "I was," he snapped, "but I didn't know it."

Christmas is the one holiday when neither the past nor the future is as interesting as the present. *Teacher: Greg, what's the opposite of misery? Greg: Happiness. Teacher: Correct, and what's the opposite of sadness? Greg: Gladness. Teacher: Correct, and the opposite of woe? Greg: Giddy up.* "Is this a second hand shop?" "Yes sir." "Good. Can you fit one on my watch please?" *As I age, I realize that I talk to myself because sometimes I need expert advice.* I don't need anger management. I need people to stop ticking me off. *The biggest lie I tell myself is "I don't need to write that down. I'll remember it."* Even duct tape can't fix stupid, but it can muffle the sound. *A fellow said he liked his radio better than his wife because he gets less interference from his radio.* A man in a restaurant called the waiter over, disgustedly. "What do you call this stuff, coffee or tea?" he snorted. "It tastes like kerosene." "If it tastes like kerosene" said the waiter calmly, "it must be coffee. The tea tastes like turpentine!" *Some daffy definitions:* Bachelor: *A man who has faults he doesn't know about yet.* Banjo: *Let's not invite Joseph.* Debate: *It lures defish.* Coincide: *What you do when it starts raining.* Minor Operation: *One performed on somebody else.* Dogma: *A canine female patient.* Toothache: *A pain that drives you to extraction.* Desk: *A trash basket with drawers.*

Love is an attitude, Love is a prayer
For a soul in sorrow, a heart in despair
Love is good wishes for the gain of another
Love suffers long with the fault of a brother
Love gives water to a cup that's run dry
Love reaches low as it can reach high
Seeks not her own at expense of another
Love reaches God when it reaches our brother.

*That's it for this time. You all have a great month.
Adios & God Bless, Geary (Moose) Shenck*

*From the
Historian's desk
Melissa Ierlan*

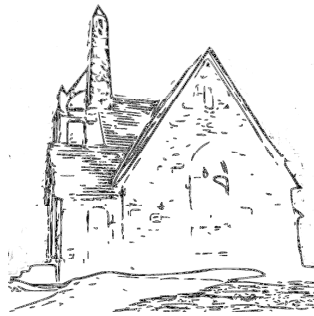

I had the pleasure of taking a group of scouts through the two buildings at the historical society. We were lucky to have decent weather up until that day and wouldn't you know, that night we had snow and sleet! The group was able to check out the old one room school house and ring the bell. They couldn't believe that so many children in different grades were all taught in this one space. We made our

way back to the barn museum and they looked at the many tools and pieces of equipment used back in the good old days. The boys seemed to be most impressed with the adding machine, the stone grinding wheel as well as the old manual clothes washer. The boys were served hot chocolate and cookies provided by the Historical Society.

together with magnets and can be used to create simple or complex gadgets. "Today's school library is a very different learning environment, allowing for student learning through discovery, creativity and making," said Lisa Osur, Holley MS/HS librarian. "Providing tools to engage students in learning experiences is crucial." The littleBits were purchased by the Monroe 2-Orleans BOCES (BOCES 2) School Library Systems through grants. The littleBits are shared between school and public libraries in the BOCES 2 region. Coordinator of School Library Systems Jim Belair said funding and support from local legislative leaders helped make this partnership possible. "We are grateful for the continued support of Assemblyman Hawley and the other Rochester area legislators," said Belair. "Due to their advocating for all types of libraries in Monroe and Orleans Counties, we are able to provide needed resources and tools for our communities." "I am happy that area libraries are collaborating as they do," said Robert D'Angelo, Holley district superintendent. "There is a direct relationship between what libraries have to offer students and literacy."

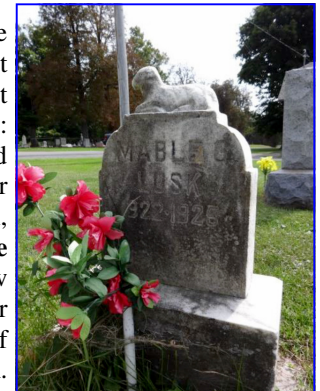

*Hillside
Sketches*

There is little sadder than the death of a child. And when the child is very young, it is sadder still. Hillside is the final resting place of many children. Two graves that always catch my attention are on

the west side of South Holley Road, just north of the storage building. Within several feet of each other, the marble grave markers are topped by three-dimensional lambs. This is the most common animal symbol found on a child's grave. The lamb appears throughout the ages with great regularity in Christian art and because it is a symbol of Christ: "Behold the Lamb of God, which taketh away the sins of the world!" (Bible, John 1:29). But, the use of the lamb in religious art even pre-dates

Christianity and appears to have been used first by the Egyptians. It signifies purity and innocence, Christ in his sacrificial role and personifies: innocence, meekness, gentleness and humility. One of these stones is for "Our Darling" **Kathy Lee Kimball**, daughter of **Harry M. and Carrie Kimball**. Kathy lived only a few short months. The other lamb is for **Mable Grace Lusk**, daughter of **John L. and Velma Warn Lusk**. Mable died before her third birthday.

I find it particularly poignant that flowers are often placed on Mable's grave, 90 years after her death. Someone still remembers and misses her. These small girls have now been reunited with their parents in Hillside Cemetery.

ASSEMBLYMAN HAWLEY LEARNS LIBRARIES ARE MORE THAN JUST BOOKS

Students at Holley Middle School/High School (MS/HS) showed Assemblyman Steve Hawley of the 139th Assembly District that a school library is more than just a place to check out books. During a visit on Feb. 12, Assemblyman Hawley observed students' creativity in action as they used littleBits, electronic building blocks for creating inventions. The littleBits snap

The Clarendon, Holley, Hulberton First Responders Youth Group hosted a craft show on Sunday February 21, 2016 at the Clarendon Rec Hall. There were many vendors there and they had lots of different things for sale. The group also sold refreshments and had a Chinese auction. The older "boys" even had the Daytona 500 on the big screen television so they didn't miss anything! The group did an outstanding job and the adults who support them should be commended for their dedication. There is a lot of work that goes on behind the scenes to provide this learning experience to the group.

**** Donations Welcome ****

To celebrate the new castle entrance to the Children's *World of Discovery*, the Community Free Library, 86 Public Square, Holley, is hosting a family Children's Expo on Saturday, March 12, from 10:00 a.m. - 12:00 noon. Bring your family and participate in the ribbon-cutting. Afterwards there will be refreshments, face-painting, balloons, a chance to make your own crown, and, best of all, an opportunity to play in the new play centers and to check out books.

Funded by a grant from Senator Maziarz, the library is expanding opportunities for play. "Play is the work of children," says Library Director, Sandra Shaw. "There are lots of studies being published showing the relationship between opportunities for play and the development of reading and learning skills. We have books... so we decided to expand the play opportunities for children. They can play, then find books in the library related to what they were playing."

And play they can. There is a large puppet theatre, with fairy tale characters, family puppets as well as community helpers. Want to cook? Try the new children's kitchen, complete with shopping carts, plastic food and dishes. Worried about a sick stuffed animal? Try the Doc McStuffin's Veterinary Clinic. Want to build or repair something... use the Black and Decker building center. And would you like to be truly in character and wear a costume? Try the costume cabinet. "Adding these play areas to what already exists in the library provides area families with a creative outlet for their children while the parents either play with them or use other library resources," continued. Shaw. "And I want to thank the members of our Board of Trustees and their families who came in on a cold January Sunday and spent the day putting all of these centers together. Do you have any idea how many parts came in the box holding the kitchen? But they are a dedicated group of people, and doing this for our children was a top priority."

"Our local artist and retired art teacher, Laurence Dabney, has created a castle entrance to the Children's Room. No longer will they just be walking from one room to another.... Now they will be entering a world created just for them, which is why we are re-naming it the *World of Discovery*."

Tidbits Riddle Answers

1. Because they hold the reins
2. The letter 'L'
3. Because you can't have beauty without them
4. Because there is never any change in it
5. Because you don't feel well

On February 22, 2016 Jacob Crandall Troop 59 Clarendon Eagle Scout candidate spoke to the Rotary Club at their weekly meeting about his project. He explained that he wanted to build a tribute to the Veterans in our Clarendon Hillside Cemetery. It is quite an impressive undertaking and he is trying to secure funding and supplies to complete it. He distributed a handout with the details of the project and asked the group if they had any questions or comments. The members were very receptive to the idea and many good comments and feedback were directed to Jacob. The cemetery serves Clarendon and Holley as well as the county and is a focal point for parades and holidays. Jacobs father John Crandall told the group that he had suggested this type of project to his son because he is a military veteran and proudly served our country in Afghanistan. He also stated that he thought it was important to make sure that his son did a meaningful project. As the Town of Clarendon Historian, I was also very happy that another Eagle project could benefit our community. At the meeting I explained to the group that our Highway Superintendent Larry Swanger is in charge of the cemetery. I further explained that he has been a huge supporter of all the different projects we have been involved in with the cemetery. He and his crew worked very hard to clear and fix the paths on the old terraced side of the cemetery last year. He has also given support with the other projects concerning the chapel and its repair. If not for his support, this would not be possible. He will help us plan the location of the monument and may also do some site work if necessary. I think this is a fine example of how we as a group can do something for the community with the support of the community and the various organizations such as The Holley Rod & Gun Club, Rotary, The American Legion, Christopher Mitchell Funeral Homes and the many volunteers who work to better the community by being involved. We are setting a good example for the next generation as they think about community service and what they can do to make a difference. Good job Jacob and Troop 59 for the wonderful impact you have on this community. I will continue to update everyone on the project and the people involved. *Melissa*

RECYCLING

Place all recyclable materials inside the green recycling bins provided by the county. All recyclables can be placed out weekly inside the recycling bin on the same day as trash pickup. Please place recycling bin away from garbage so driver can see it.

GARBAGE

The equivalent of 6 bags or cans of normal municipal solid waste including garden and yard waste, ashes (cold ashes only), plaster, stones, bricks and building materials.

- Place garbage in 20 or 30-gallon watertight cans with covers and handles, or (3 mil minimum) plastic bags. Do not use shopping bags. Limit of 60 pounds per container. Securely tie bundles of brush and building materials in lengths of no longer than 4 feet and within a 60-pound limit.
- **DO NOT INCLUDE:** tires, pesticides, oils, solvents, flammable liquids, explosives, animal carcasses, fecal matter, industrial waste, other regulated hazardous waste or building materials left by a contractor.
- **E-WASTE (MICROWAVES, TELEVISIONS, and COMPUTER equipment)** will no longer be picked up. Please take it to the nearest Electronic Recycling facility. Monday through Friday – 9 a.m. to 2 p.m. (Proof of Orleans County Residency is needed)

Albion- Orleans County Highway Garage- 225 West Academy Street, Albion.

Holley- Town of Murray Highway Garage- 3840 Fancher Road, Holley

Medina-Town of Shelby Highway Garage- 4062 Salt Works Road, Medina.

FOR COLLECTION

Place garbage and recyclables at your roadside, within 5 feet of the road, before 6:00 am on your pickup day. If you have a ditch in front of your property, place garbage and recyclables between the road and the ditch.

- Garbage and recyclables will be collected on the same day in separate trucks, at different times during the day.

LARGE ITEMS

A large item is any refuse that cannot be placed in cans or bags easily. **ONLY ONE LARGE ITEM WILL BE PICKED UP EACH WEEK AT THE ROADSIDE.** Refrigerator doors and shelves must be removed and the customer must call Modern Disposal (# below) on the **FRIDAY** prior to their scheduled pickup day. Large items will be collected on the same day as regular service and placed in the compactor truck. These items shall include, but are not limited to furniture, mattresses and box springs, carpets, appliances, Christmas trees, or carpeting (rolled and tied 4 foot lengths).

TIPS

Paint Cans- the lid must be off and the cans are to be set next to the trash can so the driver can see that the contents are dry. Clumpable cat litter can be used to dry up any contents prior to disposal.

Cold Ashes- must be cold and contained either in a bag or a cardboard box so the ashes do not go airborne as they are placed in the truck.

Medical Syringes- Medina Memorial Hospital takes them on Saturday mornings. Please do not dispose of these in the regular trash.

HOLIDAY SCHEDULE

New Year's Day – Memorial Day – Independence Day – Labor Day – Thanksgiving Day – Christmas Day. If your collection day is on or follows any of these holidays during the week, then your collection will be one day late.

HOW TO GET A RECYCLING BIN

A green recycling bin may be purchased for \$7.00 each from the County Real Property Office in Albion at Courthouse Square. Call (585) 589-5400. If you have built a new home, you are entitled to a free bin. Just present your property tax receipt, showing that the garbage collection fee has been paid, to the Real Property Service Office.

Please call 585-589-7053 with questions. Office hours are 9 a.m. to 5 p.m., Monday through Friday.

Just for Laughs.....

The rain was pouring down. And there standing in front of a big puddle outside the pub was an old Irishman, drenched, holding a stick, with a piece of string dangling in the water. A passer-by stopped and asked, "What are you doing?" "Fishing," replied the old man. Feeling sorry for the old man, the gent says, "Come in out of the rain and have a drink with me." In the warmth of the pub, as they sip their whiskies, the gentleman cannot resist asking, "So how many have you caught today?" "You're the eighth" said the old man!
