CLARENDON TOWN BOARD

Meeting Highlights Summary

February 2020

HIGHWAY DEPARTMENT REPORT

Superintendent Chalker reported that the crew has done a lot of plowing and salting this past month, a lot of it happening on the weekends. Some trees and brush hanging over the roads has been trimmed. Superintendent informed that the salt is still being mixed with ice ban, which seems to help keep it on the roads. The brush pile behind the Highway Garage has been burned and trucks have required maintenance this past month. Superintendent Chalker reported that a video was made of all the small items at the Highway Garage; it's been given to Melissa to transfer and house the file for safe keeping. A representative from Ti-Sales software used with the water meter reading gun, will provide additional training at the Town Hall for the billing clerk and some of the highway crew that takes the meter readings on Wednesday. Superintendent Chalker referenced the shared services agreement proposed by New York State to share services, exchange or lend materials or equipment to assist the maintenance of State and Municipal roads and highways; in the past, any agreement for shared services pertained to a 'one-time-use' job and felt it should continue as such; not to sign into the agreement received.

PLANNING BOARD REPORT

Chairman Dave Griggs submitted the following written report: 1/28/2020 Regular meeting was cancelled due to insufficient agenda items. 2/11/2020 Regular Meeting; BP#02-01 – Hanson Aggregates, Holley Byron Road, Tax ID 98.-1-57. Fee paid, Mining Permit on file, current insurance certificate on file, updated blaster's license on file, inspected. No outstanding complaints. A motion was made, seconded and approved to approve renewal.

HISTORIAN REPORT

Historian/CHS President Melissa Ierlan submitted the following written report: I have been contacted by two students at GCC asking for community service work and will likely utilize them to continue organizing at the Stone Store. Have spent time with Matt Ballard the County Historian this month looking through his collections for new fun facts. I am hoping to help him unpack when he moves to his new space soon. I have had some very amazing people help me to put a very broken historical marker back together and it is almost done being painted. I branched out to Genesee County again for this one. I was involved this past Sunday at Disciples United Methodist Church for Scout Sunday. There will be an article in the March Gazette. I am also assisting the Disciples United Methodist Church in having their 1939 stained glass windows evaluated and looking for grant money to stabilize them.

We continue to have the Clarendon research group a couple times a month here at the town hall. Things should start picking up around here soon when the weather breaks! Supervisor Moy suggested that the next time someone approaches the town for community service time, they be sent to the highway department to paint water hydrants; Superintendent Chalker in agreement.

SUPERVISOR REPORT

Supervisor Dick Moy reported that the town ran under budget last year. On February 20, 2020 at 11:00 AM there will be another tour of the old high school in the Village; sign up at the American Legion.

CORRESPONDENCE

The Town of Sweden has sent Notice of a Public Hearing for amendments to its Comprehensive Plan. NYMIR (our insurance carrier) has sent recommendations for the Town as follow-up to the building inspections done earlier this month. Clarendon has received \$533.33 in proceeds for the fourth quarter 2019 Traffic Diversion Program. Farmer to Neighbor Night sponsored by the Orleans County Cornell Cooperative Extension, Farm Bureau, Soil & Water, Chamber of Commerce and Albion FFA Alumni will be held on March 14, 2020 at the White Birch in Lyndonville.

OLD BUSINESS

The Town Board adopted a Resolution accepting an agreement for payment of municipal engineering from Oriden LLC for outside review of an ordinance for solar in Clarendon.

NEW BUSINESS

The Town Board increased water rates for those supplied by Monroe County Water Authority by twenty-five cents per thousand gallons. The Town's Comprehensive Plan is due for its ten year update; a committee needs to be formed. Councilman Marc Major volunteered to work on this committee. Planning Chairman Griggs will ask Planning Board members for volunteers. Last update included interested citizens on the committee also. Superintendent Chalker presented his proposed expenditures of highway monies for 2020; as follows: 1) LaDue Road – Cold in place recycle 1.55 miles with 20 ft. travel width and 3 inches in depth (Between South Holley Road and Monroe County

TID BITS

Geary (Moose) Shenck

Greetings to everyone who reads this article and even to those who don't. You all might be interested in this. My friend Greg called me on February 3rd. He said, "I've got some good news for you. I went outside yesterday and didn't see my shadow so spring will come early this year." *My dentist says bacon and soda works just as well as toothpaste. My wife said, "That's baking soda."* Oh well. I heard of another son of a gun tool. Band saw - a large stationary tool, a saw primarily used by most shops to cut large pieces into smaller pieces that more easily fit in the trash after you cut on the inside of the line instead of the outside edge. It also excels at amputations. *Money may not buy happiness but it sure would be nice to find out for yourself.* A resort is a place where the natives live on your vacation until next summer. *If all the cars in the world were laid end to end it would be Sunday afternoon.* Rod and Eddie decided to do a little charity work for the church. They were going to re-shingle the garage. After a couple of minutes Eddie noticed Rod was throwing every other nail away. He asked Rod, "Why are you throwing them away?" Rod said, "The heads are on the wrong end." Eddie said, "Those are for the other side of the garage."

THIS MONTH'S RIDDLES

1. Why were the Middle Ages called the Dark Ages?
2. Teacher, what's A.T.P.?
3. Name the outstanding feat of the Romans?
4. What book has the most stirring chapters?
5. How can you tell a happy motorcyclist?

My kind of doctor – Doc, I've heard that cardiovascular exercise can prolong life. Is this true? The Doc said, "The heart is only good for so many beats and that's it. Don't waste it on exercise. Everything wears out eventually. Speeding up your heart doesn't make you live longer. It's like saying you extend the life of your car by driving faster. *Want to live longer? Take a nap.*" Is swimming good for your figure? If so then explain whales to me. Is chocolate bad for you? You crazy? Hello cocoa bean – another vegetable. It's the best feel good food around. *Father to daughter's boyfriend: She'll be right down. Care for a game of chess? Father to teenage son: Mind if I use the car myself tonight? I'm taking your mother out to dinner and I want to impress her.* Scientist to pharmacist: Give me some prepared acetylsalicylic acid. Pharmacist: Do you mean aspirin? That's right, I can never think of that name." *When asked, I said, "I slept like a log."* My wife said, "You must have, I heard the saw mill." When asked if I wanted more alphabet soup I answered, "Not another word." *A lady went to a stable to rent a horse. "How long?" asked the groom. "The longest you've got. There will be four of us going."* What were you arrested for? I found an automobile. Found? Nonsense. They wouldn't arrest you for finding an automobile. Well, I found it before the owner lost it.

An elderly gentleman went to the doctor to get a physical. A few days later this doctor saw the man walking down the street with a beautiful young woman on his arm. A couple days later the doctor spoke to the man and said, "You're doing great aren't you?" Just doing what you said Doc. Got a hot momma and be cheerful." The doctor said, "I didn't say that. I said you've got a heart murmur and be careful." Best lie I ever heard – eat all your food so you can be big and strong. Now look at me – just big. *Diner to waitress: "We don't eat eggs, meat, fish dairy or gluten. What would you recommend? Waitress, "A taxi."* I heard there was a huge fight at the local restaurant – battered fish everywhere. *Airplane poisoning – one drop is sure death.* When asked if the examination questions were giving him a problem the student said, "No ma'am. The questions are clear enough. It's the answers that are troublesome." *Sister: Bo-ho. I made a lovely steak and kidney pie and the cat ate it. Brother: Never mind Sis. Mom will buy us another cat.* Famous last words: Someone give me a match, I can't see where the gas is coming from. *Did you know homemade bread is counter-feit dough?* Horse sense is stable thinking. *Rotisserie is a Ferris wheel for chickens.* Band aid is a fund for needy musicians. *They say that in Russian hotels there's a television in every room but it watches you.* Father, looking over son's report card, "One thing for sure. With these grades you couldn't possibly be cheating." *A woman admiring hostess' birthday cake, "Only eight candles? This is a surprise party."* Doctor to patient, "Well, I'm happy to say that the crisis is over. If you've got six hundred dollars of course." *Did you hear that they're putting a clock on the Leaning Tower of Pisa? Because what's the good if you have the inclination and don't have the time?* Did you ever notice that even though you coat yourself with insect repellent, mosquitoes will ignore everyone else in the state and demonstrates some strange attraction to you? *A young lady was on a cruise when she fell overboard into shark infested waters. None of the sharks bothered her as they were man eating sharks.* You know it's going to be a rotten trip when your sister gets car sick as you back down the driveway. When the manager of the campgrounds tells your Dad that he makes most of his money selling snakebite medicine. When you find out "cozy cabins" got it's name because there's room inside for only one member of your family at a time. *One more thing of interest – a friend lost his dog while on vacation. I suggested he put an ad in the lost and found section of the newspaper. He said that would be ridiculous. His dog couldn't read.*

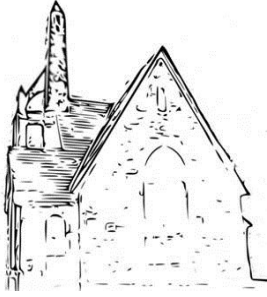

For all of you –

A Cherokee Blessing

May the warm winds of Heaven blow softly upon your house.
May the Great Spirit bless all who enter there.
May your moccasins make happy tracks in many snows.
And may the rainbow always touch your shoulder.

That's it this time. I pray you all have a great month.
Adios and God Bless., Geary (Moose) Shenck

Guy Sullivan Bowen

was born in 1842 in Unadilla, NY. He married his first wife who died in childbirth while they lived in Illinois. He immediately moved to Churchville, NY where he met his second wife Harriet.

Guy Sullivan Bowen and his wife Harriet Amanda Moore-house Bowen came to Clarendon in 1877 from Churchville, NY. His children include Frank L. from his first wife, Adrian, John, Sarah, Razelmond, Alma, Fred, Burt and Jesse

with his wife Harriet. Guy was the first farmer in NY State to raise alfalfa and one of the original Shropshire breeders of America.

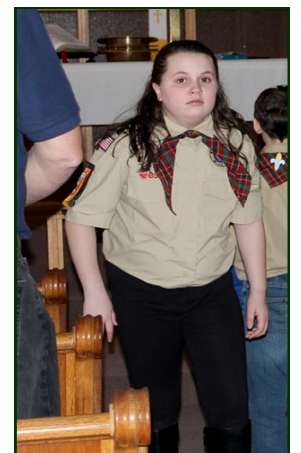

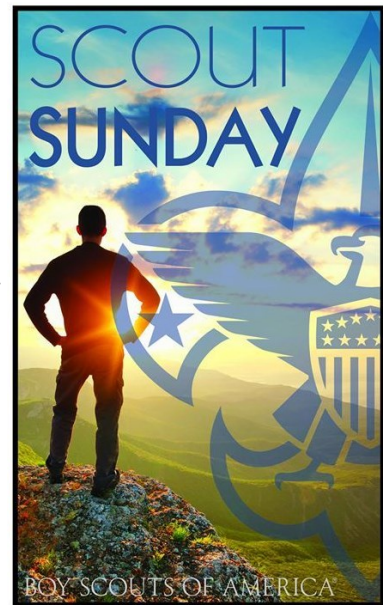

Guy served as the town clerk for many years in Clarendon in addition to being a farmer. The original farm, although somewhat smaller, still belongs to a member of the Bowen family today.

Scout Sunday is a day meant to mark the founding of the Scouts in the United States. Observation varies by unit and locale. Scouts go to their places of worship in uniform and help with the service. In the United States, Scouting has been used by churches, temples, synagogues, and many other religious organizations as part of their youth ministries. Approximately 50 percent of all Scouting units are chartered to religious groups. These observances offer an opportunity for congregations to honor Scouts and Scouters, as well as to learn more themselves about the value of Scouting as a youth program.

Disciples United Methodist Church observed February 16th as Scout Sunday. Dawson Arnold and Tyler Moore of Troop 59 in Clarendon led the Sunday service by bringing in the flag and accompanying the congregation in the Pledge of Allegiance. Holley Cub Scout Pack #3062 Tiger den members and Webelo's as well participated in the service.

Scout Master Jak Kohmann told the congregation that this year is the 61st year of Troop 59 in Clarendon. It is also his 19th year as Scout Master. After the service, the scouts put on a lunch for the congregation to thank them for their support. Paul Niggli, Assistant Scout Master and Brandon Niggli (Eagle Scout) along with Chris Nothnagle, Committee Chairman helped to prepare the food. It was a great success!

If there are any girls interested in joining the scouts, they need at least 5 girls in order to start a troop. Currently we have 2 who are Webelo's and would like to continue on. Parents who have girls in 4th-6th grade that are interested can contact Jak Kohmann at 585-993-7886.

The Clarendon Lions Club

This past month we had guest speaker Eliza Thompson from the 2020 Census Bureau. She described the method the census count would be taken through-out our country, along with the temporary jobs it has created for the next 3 to 4 months. Our second speaker, Kelly Cousins, Lions Zone Chair Person from the Lyndonville Lions Club, spoke on what was happening at other Lions Club in this area. Our second meeting speaker was Laura Patyka of Patyka Farm Market in Morton, who described new activities happening this year at their farm market and new products being sold. Our annual profit benefited from our fund raisers is divided up among over 20 different local non-profit worthy organizations and area emergency situations. Some of these are at the Holley Community Center - Easter, Halloween and Christmas Parties for the community children; Holley Community Library children books, and scholarships for Holley Central School. Our "Little Free Pantry" located at the east end of the Town of Clarendon Office parking lot, on Church Street, is for those in need of short-term food help. We continue to need your help to replenish the pantry with non-perishable foods, such as boxed items (cereal, crackers, pasta, etc.), diapers, laundry soap and other non-perishable items. Don't forget to purchase, this year's Fund Raiser, a 911 Sign, blue metal with white reflective numbers indicating your house number. It can be installed at the entrance to your driveway making it easy for emergency services to locate your residence. An order form can be obtained from any Lions member or at the Clarendon Town Hall. All our welcomed to our meetings. During the winter and spring months (Jan - May) meetings are held in the basement of the Clarendon Methodist Church on the second and fourth Wednesday of the month starting at 6:30 PM for a Pot Luck Supper; 7:00 PM for a speaker from a local organization and then followed by our business meeting. Come and join us. If you would like to join our organization, please contact Lion, Tom Persia at 638-5750. *Thank you. Lion Roger Boynton*
