CLARENDON TOWN BOARD

Meeting Highlights - MAY 2021

HIGHWAY/WATER DEPARTMENT REPORT

Superintendent Tracy Chalker reported that the Highway Department has been shorthanded for a couple weeks due to health issues. He thanked Melissa Ierlan for stepping up and helping with the cemetery as needed. He also commended Jamie Steffen for the great job she has been doing at the cemetery. He has heard many positive comments about how nice it looks. The 404 truck is back from the body shop and has been repaired. It also has new injectors installed. They have been busy mowing Town properties. Powerline Rd. has been repaved and is ready for shoulders; they hope to chip seal it in late July. They have started filling potholes around town. Wood Rd. has been graded and there appears to be a beaver problem on that road as well. Tracy will contact DEC to find out how to resolve it. The Highway Department had 800-ton of 5/8 crusher run hauled and mixed for shoulder material. There has been one (1) new water hook up in WIBA 12. The Town and the Village of Holley alternate delivering water samples taken to Erie County to be tested. Because of this Tracy has suggested obtaining an EZ Pass to cut down on toll costs. We need to decide how payment will be made, through a credit card or paper billing if available. Tracy will ask Susan when she returns. On Sunday, June 6th New Guinea Rd. will be closed from the top of the hill to Transit Rd. for a sanctioned charity event, a 5K Walk/Run sponsored by the Jordon Torrey Angello Memorial Foundation. Road Closed signs will be posted.

PLANNING BOARD REPORT

Chairman David Griggs submitted the following written report: 04-27-2021 (Regular meeting) : SD 21-04 Pre-Conference for Site Plan review for Zoning Permit 15798 East Lee Road tax id# 97.-1-14.212 Kenneth Trowbridge- Ken's Custom Woodworking. The board reviewed the application with the applicant. Several issues discussed (property egress, driveway, sign, display, employees, hours, etc.). The location is in the Business Commercial (BC) district but because this proposed operation doesn't categorically fit the parameters for either the BC district or for a Special Use Permit the consensus decision was that this would fall under a Zoning Permit (Article III, Section 307). The applicant was advised that before the Planning Board could move further additional information was needed; a new sketch plan to scale using his survey map to include the following: Driveway (existing driveway to be widened or relocated per Dan Staley of NYS DOT), Display area, Staging area, Parking area (7 parking spots minimum including 1 handicap), House location, Shop location, Sign location). OIO Ierlan summarized what was needed and mailed that information to the applicant. A motion was made, seconded and approved to table further action pending receipt of requested information. SP 05-01 Christopher Neff 5360 Upper Holley Road- Auto Repair. Fee has been paid, inspection has been done and there are no outstanding complaints. A motion was made, seconded and approved to approve renewal. SP 05-03 American Tower dba Verizon Wireless, Munger Road. Code Enforcement Officer explains to the board that this renewal is overdue by two months, she had to contact the attorney for American Tower for payment and inspection. To date, the inspection has not been done as she cannot access the property without being let in. Chairman Griggs instructs her to send a letter to the company letting them know that the permit may be revoked and they would have to reapply and go through the process again. A motion was made, seconded and approved to table further action until payment and Inspection is complete. SP 96-002 Thomas Estates

West, Manufactured Housing Community LLC, 17144 Fourth Section Road. Code Enforcement Officer explains to the board that this permit was overdue and that there are several issues/violations that need to be resolved. The permit holder has been notified with a report of the existing violations. A motion was made, seconded and approved to table further action until violations are corrected and Inspection is complete. 05-11-2021 (Regular meeting) - Meeting cancelled due to insufficient agenda items.

HISTORIAN REPORT

Historian Melissa Ierlan reported: This month we were fortunate once again to receive historical documents and items from the Rodwell and Warren family who have been in Clarendon since its beginning. I will be placing the items in the stone store. Work in the cemetery is being done to prepare for Memorial Day. The scouts will be placing flags on May 20th. The historical society buildings will be cleaned and ready for people who wish to visit, visitors can contact the town hall or myself to set up a tour. I will be participating in Pioneer Days this year at the Holley Elementary School in June. They have stations that the 4th graders go to and learn about or make something that would have been used by pioneers.

SUPERVISOR REPORT

Supervisor Richard Moy discussed chain of command in local government and residents misunderstanding of how things work. Most are under the impression that he is the "boss" and all are answerable to him. Elected officials are just that (elected) and do not answer to him. Many residents think that Tracy works for him but that isn't so. Supervisor discussed the interest rate of 0.37% we received on our BAN. We get a good rate because the town has an A- financial rating.

CORRESPONDENCE

Notification was received from the County of approved demolition assistance at 4536 Holley Byron Rd.

OLD BUSINESS

There was one (1) sealed bid received for the town property located at 16572 Boots Rd. The bid submitted by Tracy Chalker in the amount of \$350.01 was accepted by the Town Board with the stipulation that the structure on the lot be removed and properly disposed of within one year of taking ownership.

Discussion was initiated regarding The Marijuana Regulation and Taxation Act. Towns have the option to "opt out" of allowing cannabis retail dispensaries and on-site consumption sites. If the town opts out it will not receive a portion of tax revenue from sales. Deadline to opt out is December 31, 2021 and a local law must be passed to opt out. Board members Robinson, Nicosia and Hovey expressed their unhappiness that this legislation was passed and would consider opting out but felt they should see how the residents feel about allowing retail dispensaries and on-site consumption sites in town. A Public Hearing will be discussed and scheduled at the June Regular Board Meeting to get input from the residents.

NEW BUSINESS

The general financial services agreement with Municipal Solutions, Inc, 62 Main St. Leroy, NY 14482 was signed and renewed. Discussion was held regarding Stimulus money the town will be receiving. Amount we anticipate receiving is \$380,000.00 split into two (2) payments - \$190,000.00 in 2021 and 2022. Money must be spent, not put into a contingency fund. Councilmen all agree it should be spent on things that benefit all the residents. Much discussion was held regarding lack of internet in some areas of town.

TID BITS

Geary (Moose) Shenck

Hi folks. Guess it's time for me to get busy and try to spread some intellectual humor. *The paper reported that the man was shot at close range by his wife. Then there must have been powder marks on his body. Yes, that's why she shot him!* I was asked, "What do you think about anonymous letters?" I said, "They're stupid. I read them but never answer them." *Jack, is it true you were addicted to soap? Yes, but I'm clean now.* Billy: Have you ever thrown a boomerang? Eddie: Yeah once, really, really hard. Billy: Did it come back? Eddie: Not yet and I've been living in fear ever since! *I was asked if I could be a vegetarian, even for just one day. I said, "That sounds like it could be a miss steak!"* Here's to the little song entitled: She's only a butterfly's daughter and he was a son of a bee. *My roaming days are over, the spark of life gone out. I used to have some sex appeal but now I've got the gout.* I told my wife I had an exciting dream last night. She asked, "What happened?" I said, "Well, I was in a plane real high up. The copilot came back and said we were having a problem and we may have to bail out." She said, "What happened?" I said, "He gave me a parachute and said if we have to go out, count to ten and pull this string. It's called a rip cord and the parachute will open." She asked, "What happened?" "I jumped out, counted to ten, pulled the rip cord and my pajamas fell off."

THIS MONTH'S RIDDLES

1. What do you call a pencil with erasers at both ends?
2. What happens when you cross a pigeon with a zero?
3. What do a dog and a forest have in common?
4. What do you call a nun who walks in her sleep?
5. If you have a bee in your hand, what do you have in your eye?

"See there," said the hat salesman, "That fits perfectly. How does it feel?" "Great, unless my ears get tired." Singer: Now that you've heard my voice what would you suggest to accompany me? Director: A body guard. Mother: Stop asking so many questions. Don't you know that curiosity killed the cat? Son: Is that so? What did the cat want to know? I know a guy who went to a psychiatrist and said, "You have to do something about my brother. He thinks he's a chicken." The doctor said, "Why don't you just have him put away?" "We can't. We need the eggs." A famous surgeon went to Africa on a safari. When he came back his colleagues asked him how it had been. "Oh, it was very disappointing," he said. "I didn't kill a thing. I'd have been better off staying here in the hospital." The difference between electricity and lightning – you don't have to pay for lightning. A friend told me his brother just opened a shop. I asked, "Really? How's he doing?" My friend replied, "He's doing six months. He opened it with a crowbar."

A woman asked the man at the news stand, "Do you keep stationary?" Said the man, "I usually go home for lunch." *There are only two kinds of pedestrians – the quick and the dead.* An honest fisherman is a pretty uninteresting person. *A fox is a wolf who sends flowers.* June is the perfect month for weddings – when you have perfect daze! *Perfection is an alarm clock that doesn't ring.* A necessary evil is one we like so much we refuse to do away with it.

So often I was weary, couldn't sleep through the night
I would toss and turn in bed until the morning light
All my thoughts were mingled with some burdens of the past
Dwelling on so many things, I prayed it would not last
But suddenly I realized God sustains me through each plight
I relaxed with faith and trust and slept all through the night.

By Edna Massimilla

There was a young lad about twelve or thirteen years old who went into a drug store and said to the druggist, "I would like a box of tampons." The druggist smiled and asked, "For your mother or your sister?" The lad said, "No sir, they're for my younger brother." The druggist said, "Why in the world are they for him?" The lad said, "Well they advertise that if you wear them you can swim and ride a bike and he can't do either." Did you know old auctioneers never die they just look forbidding. It seems that the Leaning Tower of Pisa and Big Ben were planning a family. But they had to call it off. One of them didn't have the time and the other didn't have the inclination. A guy heard on television that brushing alone won't prevent cavities. He's worried about all the people who always brush alone. What will they do? *My friend Jack said that he knew a cat burglar had been in their house because the cat was missing.* A young lady worried about her figure went to see the doctor and asked him, "What can I do to help?" The doctor said, "You'll have to diet." "What color?" asked the patient. *Do not pass a temptation lightly because it may never come back again.* The human brain is a wonderful thing. It starts working the moment you are born and never stops until you stand up to speak in public. *Some daffynitions: Homemade bread – counterfeit dough; Horse sense – stable thinking; Water cooler – thirst aid kit; Rotisserie – Ferris wheel for chickens; Band-air – fund for needy musicians; Ice cream – polar pudding.* Teacher: Someone give me a sentence with lovable in it. One smart boy: If anyone knows how to love a bull please let me know. If you want to know how to love a moose, just ask my wife Margie.

Well, that's it folks. Hope you get a smile or two.
Adios and God Bless.

CLARENDON TOWN BOARD Meeting Highlights - MAY 2021

Continued from page 2

As of right now there are 57 residents without access to internet. Supervisor Moy and Councilman Robinson will attend a Webinar regarding Stimulus money. Supervisor will see if information from that is available and will pass along to councilmen. All were instructed to think about possible uses for the money as it will be discussed again at next month's meeting. Supervisor Moy asked councilmen how they felt about having the hot dog/music event at the Museum before the August 17th board meeting this year. All were in agreement that it should proceed this year. It would be good for the residents. Supervisor Moy stressed how much work it entailed and stated that he would be delegating and expecting other councilmen to help out with the event. The Town Board amended the Hillside Cemetery Fee Schedule and Rules to clarify cost and criteria to Original Veterans Section and New Veterans & Companion Section.

Thank you to the Boy Scouts of Clarendon Troop 59, along with Cub Scouts from Holley Pack 62, for your service in placing flags on the final resting place of Veterans from our community.

Supervisor Moy presented Historian Melissa Ierlan with the Bronze Good Citizenship Medal received from John P. McFarland of the Pikes Peak Chapter of the Sons of the American Revolution. They are a patriotic organization whose members can trace their ancestry to a Revolutionary War patriot. Melissa was instrumental in getting a headstone that had been broken in half, replaced and installed. It belonged to Thomas Brintnal who was born in Massachusetts and took part in the battles of Lexington and Concord and Bunker Hill. He later moved to Clarendon and is buried in Maplewood Cemetery on Route 237. The Bronze Good Citizenship Medal recognizes those "whose community achievements are noteworthy." Congratulations Melissa.

Members of the Disciples United Methodist Church on Holley Byron Road planted flowers and worked on the outside of their building. The merged congregations worked together to spruce up the church grounds. A special THANK YOU to Leslee Lockwood for putting this team together and to Dave LaPenna for helping with Confirmation Class Lance, Tyler, and Dawson!

Hillside Cemetery

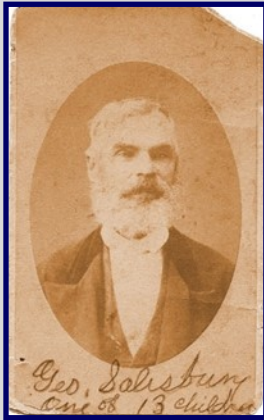

George S. Salisbury arrived in Clarendon as one of the early pioneers. Clarendon had its first town meeting that was recorded on April 24, 1821. The first marriage recorded in the town book was George S. Salisbury to Amanda Annis on February 10, 1830. The minister was Calvin Batesman and the justice of the peace was Benjamin Pettengill. It was published in the newspaper that Mr. Joseph and Phebe Salisbury along with their thirteen children and families met at the residence of Mr. Alexander Annis in Clarendon to attend this wedding. It also

said that this was the last time the family ever enjoyed each other's society together. Not until 1873 did the Salisbury's in the area meet again. This time it was at the home of Guy Salisbury and since then, had an annual gathering on Thanksgiving Day for the next several years.

At this annual meeting they took minutes and elected family members to different positions. One such position was to furnish at the next gathering the historical account of the Salisbury's. Births, deaths and marriages in particular. In 1873, some fifty people were there including twenty Good Templars, twelve church members, twelve musicians, three Masons, two Odd Fellows, one minister, one professor and singers too numerous to mention. A supper was put on by the women in the family and the Reverend Samuel Salisbury led the prayer before the meal.

George and Amanda had eight children and lived on their farm in Clarendon. Annis A. born 1830, George Jr. born 1832, Priscilla O. born 1834, Stephen V. born 1836, Harmon L. born 1838, Marrianna born 1840, Juliette born 1842 and Alexander C. born 1844.

In the Holley Standard April 13, 1882, George S. Salisbury, a venerable citizen and early pioneer in Western New York, died suddenly at his residence in Clarendon on Saturday night, aged 79 years. Lyman C. Howe, an inspirational speaker of Fredonia, was called to conduct the funeral obsequies at the M. E. Church in Holley on Tuesday afternoon. Three brothers have passed over to the better land in their eightieth year Abraham W. Salisbury, Guy M. Salisbury, and now George S. Salisbury.

CLARENDON LIONS CLUB

We had our meetings in May on the 12th and 26th, with a brown bag dinner at 6:30 PM and great conversation followed by our meeting at 7:00 PM at the Clarendon Methodist Church in the Conference Room. All were at least 6 foot apart (social distance) and wearing our masks. Our next meeting is schedule for, June 9th.

The OONA Summer Concert Series is back at the Orleans County Marine Park, Point Breeze, starting on Tuesday June 29th, for 6 continuous Tuesday nights, at 7:00 PM. We will be there, selling hot dogs, hamburgers, sausages, popcorn and beverages.

This year, a scholarship of \$250.00, which is given to a person who has previously given their time and energy volunteering to needed organizations throughout our community and will continue their education in the medical field, goes to Allison Trowbridge. Over the years of attending the Holley School District and her church, Allison has volunteered at their Interact Club and Cheer Squad, with packages for homeless, cleaning of animal shelters, visiting nursing homes, and other activities. She will be continuing her education at the Genesee Community College in the health and nursing field.

Thank all of you, who made our geranium sale a success again this year. There is still time to purchase our 911 Sign Fund Raiser; a blue metal sign with white reflective numbers indicating your house number. This can be installed at the entrance to your driveway, making it easy for emergency services to locate your residence. We will install it for a small additional cost. Orders can be made by contacting Lion Kevin Johnson by phone at 585-638-5230.

Our "Little Free Pantry" located at the east end of the Town of Clarendon Office parking lot on Church Street, is for those in need of short-term food help. We are presently in need of your continued support to replenish the pantry with non-perishable foods, such as boxed items (cereal, crackers, pasta, etc.), diapers, laundry soap and other non-perishable items. Over the winter three dozen knitted hats and mittens were distributed, thanks to the ladies of the Methodist Church.

If you would like to join our organization or volunteer to help at our fund raisers, please contact Lion Tom Persia at 585-638-5750.
