CLARENDON TOWN BOARD

Meeting Highlights - October 2022

The Town Board held a Public Hearing to consider the 2023 budget for the town on October 17, 2022 and interested taxpayers were given opportunity to file or register any objections to said proposed budget.

The Town Board held a workshop meeting to discuss purchases with American Rescue Plan Act (ARPA) funds prior to the regular meeting. Supervisor referenced a spreadsheet showing all ARPA funded purchases to date and the balance of funding. Total received is \$355,998.93. Items paid include digital water meters & equipment, two new boilers at town hall, new town hall front doors, new mower for Hillside Cemetery, a new shredder for town hall and a water back-up laptop computer – these purchases totaling \$110,709.48. \$100,000.00 has been marked toward establishment of Water District No. 14 - \$18,872.60 having been spent to date on engineering services, leaving \$81,127.40 for WD #14. Discussion was held on additional possible purchases/projects; including Records storage on the second floor of the Stone Store; Councilman Major to visit the building and assess fire proofing that would be needed. Fire Company is discussing need for new Self Contained Breathing Apparatus' (SCBA's) - a pack with two bottles. Nineteen was estimated at a cost of \$75-80,000. Comprehensive Plan needs funds to mail survey \$3,000.00; Metal is needed on the building by the water tower \$10,000.00. Supervisor suggested other items be put on hold until the stone store is thoroughly investigated for records storage.

OPEN END

Supervisor Moy asked Legislator Eick about consideration of increased revenue to towns from sales tax revenue; that the 20% that goes to the towns was set many years ago when Marcia Tuohey was on the Legislature. Legislator Eick informed that 3 or 4 years ago it was discussed, but nothing came from it.

HIGHWAY/WATER DEPARTMENT REPORT

Superintendent Tracy Chalker reported that the Highway crew replaced shoulder material on Hulberton, Jackson, Mansfield and Transit Roads. We've helped the county with paving and surrounding towns finish up with road work. Clarendon is done with roadwork for the year. Trucks are being set up for winter; plow frames on, boxes cleaned out, salters and spinners on. Continuing to mow town properties and deer pick-ups have increased. There were three burials at Hillside Cemetery this month. The third quarterly water meter readings are done. It went well with all new meters installed; it took less than one day, saving manpower and time. Superintendent Chalker attended the Highway Fall Conference; it was very educational. The CHIPS, State of NY, Extreme Winter Recovery forms have been submitted and approved. The town should have a check after December 15, 2022. Working on completion of third roadside mowing. Superintendent took a town truck to the first annual Family Fall Festival hosted by All-American Diesel Service on County Line Road. It was a successful event; the Fire Company was there with a truck also.

SUPERVISOR REPORT

Supervisor Dick Moy informed of a call received from a resident that a homeless man was sleeping in the town park under the big pine tree. The resident was very uneasy. Supervisor cautioned not to approach the man; that the police had been notified. Supervisor went by the park after last night's public hearing and he was gone. Highway Superintendent agreed to trim the low branches on that pine tree for better vision from a distance.

CORRESPONDENCE

The Town received notice of New York State's Health Law regarding tobacco and cannabis use in parks. It is available to anyone who wants to review it. The Orleans County Board of Elections has sent notice of the November 8, 2022 general election. Polls will be open from 6:00 AM to 9:00 PM. That office was going to draft a letter to the state regarding early voting. Turn-out in this county is very low; last early voting cost every taxpayer \$120/vote! The Town received notice from the Kendall Fire Department that it will no longer offer a transporting ambulance service as of 12/31/2022. As of 1/1/2023 the Kendall Fire Department will operate as a BLS first response agency and continue to serve people of the Kendall Fire District and surrounding communities. Monroe Ambulance will be the transporting agency as of 1/1/2023. Notice was received of Land Use Training for Local Officials; Planning Board Deputy Chairman Kevin Johnson will attend.

OLD BUSINESS

Planning Board Chairman informed that the Planning Board will prepare a draft of Short-Term Rentals for the zoning ordinance after conference attendance. Supervisor reported receiving a breakdown of vacant land acreage from the assessor's office of lots over 15 acres within 1 ½ miles of the powerline; in regard to solar farms. Supervisor will contact Laura Kingdollar with the information.

The Town Board approved the 2023 Preliminary Budget; upon approval the preliminary becomes the final budget for 2023; it will be on the November agenda for adoption. *A copy of the accepted 2023 Preliminary Budget is made part of the Permanent Record of these minutes.*

NEW BUSINESS

The Town Board introduced Proposed Local Law No. 1 of 2022 entitled A Local Law Providing for Written Notification of Defects and Obstructions on Town Highways, Bridges, Streets, Sidewalks, Crosswalks and Culverts in the Town of Clarendon and Calling for a Public Hearing on November 1, 2022 at 6:30 PM at the Town Hall with a special meeting to commence immediately following the public hearing. Orleans County Real Property has sent notice of its intent to increase the income limits allowed for Senior Aged and Disability Exemptions. Clarendon currently allows for the Senior Aged exemption and will need to adopt a local law in order to increase the limits allowed. A local law will be prepared for consideration at the November 1, 2022 special meeting, to include disability exemptions. Designating relieved water and mowing charges filed with the Town Board has been delayed to the special meeting on November 1, 2022; the Board will authorize that the unpaid balance for zoning violation, mowing services and water charges in arrears from the July 5, 2022 billing and/or prior billings unpaid on November 1, 2022 be added to the January 2023 town/county tax bills with an additional \$100 penalty.

TID BITS

Geary (Moose) Shenck

GREETINGS ALL. If the Gazette comes out before elections, I hope everyone who can, gets out to vote. If it is after election, I hope everyone who could vote did. Election is the time of year when candidates run for public office and America becomes the 'Land of Promise'. When George Washington threw a dollar across the Rappahannock River, he didn't realize that he was establishing a precedent for Government spending. Everyone concentrates on the problems we're having in this country lately, illegal immigration, hurricane recovery, alligators attacking people in Florida. Not me. I concentrate on solutions for the problems. This is a win-win situation. Dig a moat the length of the border. Send the dirt to New Orleans to raise the level of the levies. Put the alligators in the moat along the border. Any other problems, let me know. Nothing sucks more than the moment during an argument when you realize you're wrong. I was out in the garden with my step-ladder today. Not my real ladder. I don't get along with my real ladder. "You wouldn't believe my bad luck" a burglar tells his friend. "I broke into a lawyer's house last night and he caught me. He let me go but told me never to steal again." "He let you go? Why is that bad luck?" asks the friend. "He charged me \$500 for the advice!" The economy is so bad, hot cakes aren't even selling like hot cakes any more. You know it's going to be a bad vacation when the manager of the campgrounds tells you that she makes most of her money from selling snake bite medicine.

This Month's Riddles:

1. What do you get when you cross Poison Ivy with a four leaf Clover?
2. What do you call a crazy baker?
3. What do you call a plate that is not truthful?
4. What do you call a polite butler?
5. What is the most expensive game of tag?

Age 77: I've learned that good health is true wealth. Age 51: I've learned that there are no unimportant acts of kindness. A nervous young mountaineer looked up the steep cliff that the guide was proposing that they should climb. "Do people often fall off the top?" he asked anxiously. "No" said the guide airily. "Once is usually enough!" The Secret to a Long and Happy Marriage from Jackie Lamb. A couple was celebrating their golden wedding anniversary on the beaches in Montego Bay, Jamaica. Their domestic tranquility had long been the talk of the town. People would say, "What a peaceful and loving couple." The local newspaper reporter was inquiring as to the secret of their long and happy marriage. The Husband replied: "Well, it dates back to our honeymoon in America" explained the man. "We visited the Grand Canyon in Arizona and took a trip down to the bottom of the canyon by horse. We hadn't gone too far when my wife's horse stumbled and she almost fell off. Me wife looked down at the horse and quietly said, "That's once." "We proceeded a little further and the horse stumbled again. Once more my wife quietly said, "That's twice" "We hadn't gone a half mile when the horse stumbled for the third time. My wife quietly removed a revolver from her purse and shot the horse dead. I SHOUTED at her, "What's wrong with you Woman?! Why did you shoot the poor animal like that? Are you crazy?" She looked at ME and quietly said, "That's once." "And from that moment...we have lived happily ever after."

Did you hear about the man who decided to walk a mile a day, but found a short cut that would let him do it in five blocks? Old auctioneers never die. They just look for bidding. A schoolboy went home with a pain in his stomach. "Well sit down, have a cookie and a drink of milk." Said his mother. "Your stomach hurts because it's empty. It'll be all right when you've got something in it." Soon after, Dad came home from the office, complaining of a headache. "That's because it's empty." Said the bright son. "You'd be alright if you had something in it." "Dr. Sawbones speaking." "Oh doctor, my wife has just dislocated her jaw. Can you come over in say, three or four weeks?" Little Girl: "Mom, does God go to the bathroom?" Mother: "No dear. Why do you ask?" Little Girl: "Well, this morning I heard dad knock on the bathroom door and say, 'God, are you still in there?'" **From the bookshelf:** The Long Hot Summer by I Scream. Try and Try Again by Percy Vere. The Barber of Seville by Ray Zerr. **The Drawing Lesson** by Art Master. **Some more Christian one-liners:** He who angers you, controls you. We don't change the message; the message changes us. You can tell how big a person is by what it takes to discourage him. Life isn't about waiting for the storm to pass. It's about learning to dance in the rain. **Some Lenosms:** On Presidents Day you stay home and don't do anything. Sounds like Vice-Presidents day. The reason there are two senators for each state is so one can be the designated driver. I heard that a committee is the unwilling recruited from the unfit to do the unnecessary. **Here are some other definitions:** Acoustic What you use when you shoot pool. Anatomy: Something everybody has, but it looks better on a girl. August: The month you can't open the car window you couldn't close in February. Coincide: What you do when it starts raining. Will Power: The ability to eat one salted peanut. The nice thing about my medication is that it makes doing nothing quite respectable. A couple just bought a new car when winter hit with all its fury. "I wonder if the car has seat warmers?" the wife asked. "It sure does" said her husband. "Right here in the owner's manual it says rear defrosters." I had my car towed yesterday. There was nothing wrong with it, but it was cheaper than a tank of gas. "When does the Lochness Monster show?" the tourist asked the guide. "Usually after the fifth shot of whisky."

It was just a quiet little street but as I passed that way
I thought of those who lived and loved and worked there one day
From just such simple homelike streets where parents plan & wait
Have come leaders to make history and stand among the great.
On just such quiet little streets throughout this land today
Barefoot and in boy-like fashion, tomorrow's statesmen play.

That's all for now. Adios and God Bless

Geary (Moose) Shenck

iHealth COVID-19 Antigen Rapid Test EXPIRATION DATE EXTENSION

As of July 8th, 2022, the shelf-life of iHealth COVID-19 Antigen Rapid Tests have now been **extended for six months**. Scan the QR code below to take you to the website to enter your test kit lot number (located on the back of the box) and see what their extended expiration date is or visit the iHealth website at <https://ihealthlabs.com/pages/news#expiration>.

FREE COVID Home Test Kits are still available at the Clarendon Town Hall, 16385 Church Street, Clarendon, NY. Using the ihealth labs website, it has been determined that the tests, even tho labeled to expire 7/20/2022, have a new expiration date of 1/20/2023.

Proposal number one, a proposition

Clean Water, Clean Air, and Green Jobs Environmental Bond Act of 2022

"To address and combat the impact of climate change and damage to the environment, the "Clean Water, Clean Air, and Green Jobs Environmental Bond Act of 2022" authorizes the sale of state bonds up to four billion two hundred million dollars to fund environmental protection, natural restoration, resiliency, and clean energy projects. Shall the Environmental Bond Act of 2022 be approved?"

Yes No

Hillside Sketches

George N. Bowman

was born on Sept. 12, 1824, in Herkimer County, NY. At the age of five he and his parents moved to the Town of Yates. George's parents died when he was quite young, and he lived with Dr. Nicholson in Sandy Creek. George spent a number of years working for Mr. Calvin Church who was the proprietor of the LaFayette Hotel in Sandy Creek. George married the daughter of Calvin Church in 1850. They had no children. In 1857 George worked in the mercantile business with Birdsall Perrigo and continued that work until 1867. He then moved to Holley and along with C.W. Gibson established the Exchange Bank of Holley. He was the president and cashier at the bank for more than 30 years and worked up until the year before his death from heart disease on September 17, 1898.

Public Square, Holley, N. Y.

From the time of its organization, George was the treasurer and vestryman of St. Paul's Church in Holley. George served as the treasurer and director of the Electric Light Company. He was also the treasurer of the village, the Union School and various business and social organizations. He served two terms as the supervisor of the Town of Murray.

On November 25, 1940, the Exchange Bank of Holley became a branch of the Marine Trust Company of Buffalo, NY. The bank was the oldest business organization in Holley, in operation for more than seventy years. The bank had \$960,000 when it changed hands. The bank had always been owned and operated by local residents and practically all of its stock was held in the immediate vicinity. In 1931 when many banks throughout the country had failed, it was threatened by a run which may have proved disastrous not only to the institution but to the entire community; it was saved by prompt action on the part of local residents. A bank examiner that was present called this the finest example of cooperation he had ever seen. (Kind of reminds me of the storyline in the movie "It's a Wonderful Life")

Clarendon Lions Club

We had our meetings on Wednesday, October 12th and 26th, with a dinner at 6:30 PM and great conversation followed by our meeting at 7:00 PM at the Clarendon Methodist Church, Conference Room. We are planning a few fundraisers over the winter months. Watch my article for future announcements and our joint Children's Christmas Party at the Holley Community Center. There are still a few of our 911 Signs, a blue metal sign, with white reflective numbers, indicating your house number which can be installed at the entrance to your driveway making it easy for emergency services to locate your residence. Club President Kevin Johnson noted that this would make a great Christmas present. We will install it for a small additional cost. Orders can be made by contacting Lion Kevin Johnson by phone at 585-638-5230. Our next meeting will be on Wednesday, November 9th, with a Pot-Luck Supper at 6:30 PM at the Clarendon Methodist Church Conference Room followed by a speaker at 7:00P PM. Topic will be New York State Emergency Preparedness. Don't forget to contribute to our "Little Free Pantry" located at the east end of the Town of Clarendon Office parking lot on Church Street for those in need of short-term food help. Especially for those folks needing extra help during the holiday season. If you would like to join our organization or volunteer to assist on our fund raisers, please contact Lion Tom Persia at 638-5750.

Thank you for your support, Lion Roger Boynton

A MESSAGE FROM THE HIGHWAY SUPERINTENDENT

Now is a good time to take a look at the condition of your mailbox and post. Winter will soon be here and the plows will be out in full force. When we get a call that the plows have taken out your mailbox the majority of them are knocked over by the weight of the snow. If the post is in poor condition it is more likely to be knocked over. Please take the time to inspect your post and make sure it is not starting to rot or get rusty. Also check and make sure the post is securely seated in the ground. If your mailbox and post are secure they are less likely to be knocked over.

An Open Letter to the Residents of Clarendon From your Highway Superintendent

For your safety and well being during inclement weather, you should reduce your speed and drive according to the highway conditions. Winter driving conditions with icy and snow-covered roads require more driving care. If your vehicle becomes stranded, contact the Orleans County Sheriff's department at 589-5527 and they will notify the appropriate highway department. **SNOW REMOVAL** – The law regarding the depositing of snow on highways, shoulders or ditches is as follows: “Section 1219 of the Vehicle & Traffic Law and Section 214 of the Highway Law of New York State specifically prohibits the placing or leaving of snow, ice or other substance upon any highway” (this includes pavement, shoulders and ditches). As a result should these practices occur, police agencies will be notified of such occurrence(s) with the intent that summonses will be issued to the responsible person or persons. **MAILBOXES** – During and after significant snow storm, highway departments in the course of plowing, receive phone calls regarding damage to mailboxes either from snow plows directly or from the force of snow being thrown by the plows. If such damage is indeed caused by snow removal, it is not done intentionally but is an unfortunate consequence of snow removal. It must be pointed out that there is no statutory or legal authority which grants a property owner or resident along a public highway any right to place a mailbox in a highway right-of-way; the mailbox is on town or county right of way as a courtesy to the postal service. Thus, the necessity of keeping the highway open conflicts with the individuals' reception of the mail, the latter must stand aside. The owner may even be asked to remove the box under Highway Law #319. From past experience, we have found that plastic mail boxes do not withstand the abuse of snow from the plows and are not recommended. *As a courtesy, the Clarendon Highway Department will place a temporary box so that residents can receive mail if their box is damaged by the plow but we will not replace any fancy mailbox or post.* Mailbox posts with fancy supports are not recommended as they stick down under the box and give the wing plow something to get hold of. A box mounted directly on top of a treated 4 X 4 is best. **Posts should be placed fifteen (15) feet from the centerline of the road.** Please note illustrations. For further information, contact me at (585) 734-1302 or (585) 638-8547. *Thank you. Tracy Chalker, Clarendon Highway Superintendent*
